Moonlight Warrior (Midnight Bay Book 1) By Janet Chapman

Eve Anderson is darned tired of Kenzie Gregor meddling in her business. She might be struggling to keep herself and her ailing mother financially afloat, but she's no princess in need of a strong, capable knight in a black SUV to rescue her -- even if he is easy on the eyes. Besides, there's something very odd about him...and she's sure the strange events occurring in their small coastal Maine town are linked to his recent arrival.

Once an immortal warrior cursed to live as a panther, Kenzie is finally free to live and die as a man, and his destiny is to help other displaced souls. Of course, if he can get tiny, blue-eyed, curly blond Eve out of the deal, well...life doesn't get any better. But she's as stubborn and fierce as a lioness, and in order to win her love, he must tempt her with forbidden desires....

Editorial Review

From Publishers Weekly
Chapman revisits her time-traveling band of medieval Scots warriors in the first of a series spun off from 2008's *Secrets of the Highlander*. Kenzie Gregor is a centuries-old warrior who moves to modern smalltown Maine to help his friend William thwart the curse that turned him into a dragon. Accompanied by Daar, a smart-mouthed 1,800-year-old Druidic priest with waning powers and an enormous appetite, Kenzie unknowingly displaces Eve Anderson and her mother, Mabel, from their foreclosed home. Worried about Mabel's dementia and how to save the family business, Eve reluctantly allows Kenzie to hire her as a caretaker while he turns the land into a working farm. There's plenty of good humor, while Mabel's illness and the curse add necessary pathos. Lovable characters, a sweet romance and the grouchy troublemaker dragon combine for a delightful read. *(May)*

Review
"Rich characterization, passion and romantic adventure...Chapman is unmatched and unforgettable." -- *Romantic Timaes*

About the Author
A native of rural central Maine, Janet Chapman lives there in a cozy log cabin on a lake with her husband. Three cats and a stray young bull moose keep them company. The author of the hugely popular Highlander time-travel series, she also writes contemporary romances.

Users Review

From reader reviews:
