Pay Any Price: Greed, Power, and Endless War By James Risen

"James Risen has established himself as the finest national security reporter of this generation, a field crowded with first rank talent." —*Newsweek*

“An important and powerful book that should be read by anyone who believes it is time to take stock after thirteen years and re-evaluate the nature of the threat the country faces and its response to the atrocity of 9/11.” —*New York Times Book Review*

Ever since 9/11 America has fought an endless war on terror, seeking enemies everywhere and never promising peace. In *Pay Any Price*, Pulitzer Prize winner James Risen reveals an extraordinary litany of the hidden costs of that war: billions of dollars that went missing from Iraq only to turn up in a bunker in Lebanon; whistleblowers abused, including a staffer on the House Intelligence Committee persecuted by the F.B.I. for expressing her concerns about the NSA spying on U.S. citizens; and an entire professional organization, the American Psychological Association, forced to investigate its own involvement with the government’s use of torture. In the name of fighting terrorism, our government has perpetrated acts that rival the shameful historic wartime abuses of generations past, and it has worked very hard to cover them up. James Risen brings them into the light.

“[*Pay Any Price* is] a wide-ranging look at consequences of the so-called war on terror and includes stories of shocking thievery during the U.S. occupation of Iraq.” —*U.S. News & World Report*

“A no-holds-barred tarring and feathering of the past thirteen years of the U.S. national security system. At times frightening, Risen’s book is a strong reminder of the importance of a free press keeping a powerful government in check.” —*Daily Beast*

Editorial Review

Review

"Risen’s fast-paced, accessible prose and his finely drawn detail make the book read like an implausible thriller. The tragedy is that, however implausible, it all appears to be true . . . enormously impressive. . . . This is an important and powerful book that should be read by anyone who believes it is time to take stock after 13 years and re-evaluate the nature of the threat the country faces and its response to the atrocity of 9/11."
—*New York Times Book Review*

"At long last we can retire Bob Woodward and Carl Bernstein as the icons of investigative reporting. With his second book probing the dark tunnels of the so-called war on terror, James Risen has established himself as the finest national security reporter of this generation, a field crowded with first rank talent."
—*Newsweek*

"A memorable chronicle of the long-range consequences of the panicky reaction of top American officials to the Sept. 11 attacks...Mr. Risen certainly makes the case in this book that America has lost much in its lashing out against terrorism, and that Congress and the people need to wake up and ask more questions about the political, financial, moral and cultural costs of that campaign."
—Tom Ricks, *New York Times* daily review
"A wide-ranging look at consequences of the so-called war on terror and includes stories of shocking thievery during the U.S. occupation of Iraq."
—Steven Nelson, *US News & World Report*
"A no-holds-barred tarring and feathering of the past 13 years of the U.S. national security system. At times frightening, Risen’s book is a strong reminder of the importance of a free press keeping a powerful government in check."
—William O’Connor, *Daily Beast*

Users Review

From reader reviews:

John Solorio:

Why don't make it to become your habit? Right now, try to prepare your time to do the important take action, like looking for your favorite publication and reading a book. Rene Pina:

The particular book Pay Any Price: Greed, Power, and Endless War will bring you to the new experience of reading a new book. The author style to clarify the idea is very unique. Should you try to find new book to read, this book very suitable to you. The book Pay Any Price: Greed, Power, and Endless War is much recommended to you to read. You can also get the e-book from your official web site, so you can quickly to read the book.

Mary Infante:

The reason why? Because this Pay Any Price: Greed, Power, and Endless War is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will distress you with the secret the item inside. Reading this book alongside it was fantastic author who all write the book in such amazing way makes the content on the inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have got such as help improving your proficiency and your critical thinking method. So , still want to postpone having that book? If I were being you I will go to the publication store hurriedly.
