Editorial Review

About the Author
"H.W. JANSON" is a legendary name in art history. During his long career as a teacher and scholar, he helped define the discipline in the United States through his impressive books and other publications. "History of Art," for which he is best known, has been translated into more than a dozen languages.

"ANTHONY F. JANSON" forged a distinguished career as a university teacher, scholar and writer, and museum professional. He took over authorship of "History of Art" and "Basic History of Art" after his father's death in 1982.

Users Review

From reader reviews:

Arthur Poulsen:

People live in this new morning of lifestyle always try to and must have the free time or they will get wide range of stress from both everyday life and work. So , if we ask do people have free time, we will say absolutely sure. People is human not really a huge robot.
