Selected Stories of Philip K. Dick By Philip K. Dick

Selected Stories of Philip K. Dick contains twenty-one of Dick’s most dazzling and resonant stories, which span his entire career and show a world-class writer working at the peak of his powers.

In “The Days of Perky Pat,” people spend their time playing with dolls who manage to live an idyllic life no longer available to the Earth’s real inhabitants. “Adjustment Team” looks at the fate of a man who by mistake has stepped out of his own time. In “Autofac,” one community must battle benign machines to take back control of their lives. And in “I Hope I Shall Arrive Soon,” we follow the story of one man whose very reality may be nothing more than a nightmare. The collection also includes such classic stories as “The Minority Report,” the basis for the Steven Spielberg movie, and “We Can Remember It for You Wholesale,” the basis for the film *Total Recall*. With an introduction by Jonathan Lethem, *Selected Stories of Philip K. Dick* is a magnificent distillation of one of American literature's most searching imaginations.

Editorial Review

From Publishers Weekly
Selected Stories of Philip K. Dick, with an introduction by Jonathan Lethem, should help persuade mainstream readers that the late SF author was no "mere" genre writer. Fans of the Spielberg film Minority Report will find Dick's original, "The Minority Report," along with 20 other masterful tales.
Copyright 2002 Reed Business Information, Inc.

From Booklist
This volume is another consequence of the respectability Dick won posthumously with the classy movie *Blade Runner*, based on a novel of his. Besides the source of the new movie *Minority Report*, two more of his stories that were filmed--"Second Variety," lensed as *Screamers*, and "We Can Remember It for You Wholesale," which became *Total Recall* --appear here. Also on hand are the very early "Beyond Lies the Wub" and "Roog"; "The King of the Elves," a rare excursion into fantasy, more Borges than Tolkien; "The Days of Perky Pat" and "Faith of Our Fathers," which explore themes later developed in novels; and 13 others. The stories show him reaching out to the dark sides of American society--and of himself. When he was alive, his work fell between the stools of mainstream disdain for any science fiction and the sf subculture's disdain for anybody who tried to "write mainstream." Justice done a dead man is better than no justice at all, especially when it involves giving such distinctive short fiction renewed currency. *Roland Green*

Review

"A brilliant, idiosyncratic, formidably intelligent writer . . . Dick illuminates. He casts light. He gives off a radiance." -- *Washington Post*

"A terrific cross-section of Dick’s shorter fiction . . . essential for new fans." -- *The Onion A.V. Club*

Users Review

From reader reviews:

Bob Pratt:
