The Cat Who Sniffed Glue (Cat Who... Book 8) By Lilian Jackson Braun

Living in the peaceful city of Pickax may be restful, but it certainly isn't dull. At least not for one of the most eligible bachelors in town, veteran newspaperman Jim Qwilleran.

Having inherited millions, Qwilleran and his two feline companions, Koko and Yum Yum, are preparing to settle down into a life of *purr*fect luxury. That is, until the son of a rich banker and his wife are found murdered.

To the police, it looks like a robbery gone awry. But then Koko develops an odd appetite for glue. Qwilleran doesn't spot the clue until his beloved Siamese's taste for paste tangles them in a web of love, danger, and their stickiest case yet!

Editorial Review

From Publishers Weekly
In this tame, nonmysterious mystery, bucolic Pickax City, in Moose County ("400 miles north of everywhere") is first disrupted by vandalism, then by murder. When Harley Fitch, vice-president of the Pickax Bank, and his wife, Belle, are found shot to death, police chief Brodie, a bagpipe-playing Scotsman, thinks that vandals, from neighboring, low-class Chipmonk are responsible. After three of the suspects die in a car accident, the case is effectively closed. But Jim Qwilleran ("former journalist, now heir to the Klingenschoen fortunea big man about 50, with graying hair, bushy moustache and doleful expression") doesn't agree. Involved though he is in starting up a newspaper, juggling several platonic romances, redecorating his house and spoiling his Siamese cats, Koko and Yum Yum, he finds time to snoop around. He doesn't discover anything, except for the spotted pasts of the deceased. Eventually, the killer attacks Qwilleran and his identity is made known; there are no clues, no logical way for the reader to figure out whodunit. The author's device of introducing every scene with stage directions, and her reliance on stereotypical characters, may bore even the readers who find Koko and Yum Yum as irresistible as Braun (The Cat Who Knew Shakespeare , The Cat Who Played Post Office) does. Mystery Guild featured alternate.

About the Author
Lilian Jackson Braun composed her first poem at the age of two. She began writing her Cat Who... detective series when one of her own Siamese cats mysteriously fell to its death from her apartment block. Since then over twenty Cat Who... novels have been published, all featuring the very talented Koko and Yum Yum, Siamese cats with a bent for detection. She and her husband, Earl, live in the mountains of North Carolina.

Users Review

From reader reviews:

Larry Parker:

As people who live in the actual modest era should be change about what going on or info even knowledge to make these people keep up with the era which is always change and move forward.
