Review

"*New Lace Knitting* is a beautiful collection of garments and accessories presented in a unique way. Each chapter focuses on a classic lace stitch or motif. This stitch is then used in all the pieces (usually 3) within that section. It's stunning and beautiful and inventive." --Heather Zoppetti Designs

"*New Lace Knitting* is a fresh, modern take on classic lace knitting!... *New Lace Knitting* also features lovely and bright, clear photography. The patterns are well written and easy to follow and have charts and written instructions...knitters of all generations and skill level would enjoy this lovely collection of lace patterns!" --Very Shannon

"Rosemary has created a book of cohesive lace designs that incorporate some common lace motifs, but use them in new and unexpected ways." --Knit and Travel and Such

"There are two words in the knitting world that mean magic, Romi and Lace... *New Lace Knitting* is exactly what you would expect from Romi. She challenges you to not just knit well but to love what you are making, to craft something you are proud of, and to take a deep breath and enjoy the whole process... This book will delight you and inspire you." --Yarn Yenta

"Romi Hill is one of my favorite designers, especially for lace. She has a way of making yarn disappear into a cohesive sheet of etched beauty." --Clara Parkes, Knitter's Review

"Her designs are beautiful; the lace is integrated, matched perfectly to each piece and looks effortless... All of her lace is beautiful, but never too precious or hard to knit that you wouldn't wear it. Her patterns are so well planned and executed that they are a joy to knit." --knitty.com

"Romi has created beautiful projects, each of which looks carefully at the lace stitch used, the yarn, the color, the drape of the fabric and of course, the fit of the finished garment. Romi gets these elements right every time." --Nancy Marchant

"Full of beautifully conceived garments with unusual and very flattering shapes, they give Rosemary an opportunity to translate her aesthetic into the third dimension. We are treated to a host of feminine, wearable designs for work, relaxation, and after hours." --Anne Hanson, Knitspot

"...she has a way of knitting lace that makes you wonder, how does she do that?" --Tanis Knits

"Lace is perfect this time of year because ... instant ventilation! We love, love, love the Williwaw cardigan with its asymmetric closure ... and the Manzanita tee, with its lace yoke and picot hem, which can go from the mountains to the Met, depending on how you style it. There are nineteen patterns here-garments, shawls, scarves, hats-all making us ache to doff our fishermen's knits in favor of those that let the sun shine in." --Vogue Knitting
