Editorial Review

Review
The QuickBooks Consultant's Reference Guide is the most comprehensive guide out there, and an invaluable resource to QuickBooks consultants, tax professionals, bookkeepers, and IT consultants. Everyone who works with QuickBooks should have it in their reference materials. --Michelle L. Long, CPA, MBA, Principal, Long for Success, LLC

About the Author
Doug Sleeter is the Founder of The Sleeter Group. His in-depth knowledge of QuickBooks and his systems approach to solving small business accounting problems has earned him the reputation of being one of the nation's leading QuickBooks and small business accounting software experts. He has been named one to Top 100 Most Influential People in Accounting by Accounting Today magazine. Doug was a pioneer in developing the first QuickBooks seminars in the country and was selected to develop early Intuit training materials. He has consulted with Intuit on the development of the QuickBooks product line and he also consults with several other software and hardware developers on product design, marketing, and distribution strategies. Doug provides expert level support and consulting to hundreds of QuickBooks consultants through the Sleeter Group's Certified Consultant's Network, a group of highly trained QuickBooks experts. He is the host of the Sleeter Group's annual Accounting Solutions Conference, bringing together consultants and software developers from across the US and Canada. Doug is the author of over 40 QuickBooks reference books and courseware materials and writes a regular column, The QuickBooks Advisor for The CPA Technology Advisor magazine.

Users Review

From reader reviews:

Lucinda Smith:

Nowadays reading books are more than want or need but also work as a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The information you get based on what kind of publication you read, if you want get more knowledge just go with education books but if you want really feel happy read one using theme for entertaining like comic or novel. Typically the QuickBooks Consultant's Reference Guide Version 2011 is kind of publication which is giving the reader unpredictable experience.

Patricia Jones:
