Editorial Review

Review
"[T]he Routledge Handbook of Political Islam is very successful indeed in imparting to the reader a sense of the breadth and variety of Islamic political thought. The editor has assembled a capable team of writers with a wide range of academic knowledge, and most of the essays in the book both are intellectually satisfying and written in a clear style that is accessible to the nonspecialist... The Routledge Handbook of Political Islam is an excellent resource. It is highly recommended for all those with an interest in issues related to political Islam." - *C. Dale Walton, University of Reading, UK; Comparative Strategy: 31, 2012*
