So Me By Graham Norton

Graham Norton, whose impish charm and quick wit has earned him a place in our hearts, looks back at his life so far. In his own words, SO ME is 'a real romp through a journey from living in a cockroach-infested council flat in Hackney to buying Claudia Schiffer's townhouse in Manhattan, from my mother dragging me to school to me dragging her to Sharon Stone's house for New Year's brunch'. From a not-so miserable Irish childhood to dropping out of Cork University and joining a commune of hippies in San Francisco, from his disastrous attempts at becoming a serious actor to the rise of his comedy career in London, this is a hilarious, insightful and moving account of a colourful life.

Editorial Review

Review
A frank, funny and sometimes tortured autobiography Andrew Billen, The Times Honest and entertaining ... he uses his quick wit and humour to amuse the reader from start to finish The Sun Frank and funny Mirror A jaunty romp with oodles of humour Hot Stars (OK) A hugely engaging account of his life that is written with the same breezy bravura that he exhibits on telly ... There are points in the book when I found myself laughing out loud, and others when I was unusually moved ... Celebrity memoirs are rarely as genuine or as generously candid Herald

About the Author
Graham Norton is one of the UK's best loved broadcasters. He presents The Graham Norton Show on BBC1, has a weekly show on BBC Radio 2, and writes a column for the Telegraph. He is the winner of eight BAFTA awards. Born in Dublin and raised in West Cork, Norton now lives in London. Holding is his first novel.

Users Review

From reader reviews:

Victoria Williams:

Book is to be different for every single grade. Book for children right up until adult are different content. As it is known to us that book is very important for us. The book So Me has been making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The reserve So Me is not only giving you much more new information but also to be your friend when you truly feel bored. You can spend your own personal spend time to read your reserve. Try to make relationship while using book So Me. You never truly feel lose out for everything when you read some books.

Tiara Garcia:

Now a day people that Living in the era where everything reachable by talk with the internet and the resources within it can be true or not need people to be aware of each info they get. How people have to be smart in receiving any information nowadays? Of course the reply is reading a book. Reading through a book can help individuals out of this uncertainty Information mainly this So Me book since this book offers you rich details and knowledge. Of course the knowledge in this book hundred per-cent guarantees there is no doubt in it as you know.

John Rivera:

The actual book So Me has a lot associated with on it. So when you read this book you can get a lot of profit. The book was written by the very famous author. Tom makes some research prior to write this book. This kind of book very easy to read you will get the point easily after reading this article book.

Margaret Garcia:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this So Me can make you really feel more interested to read.
