Editorial Review

About the Author
J. Douglas Faires is a Professor of Mathematics at Youngstown State University. His research interests include analysis, numerical analysis, and mathematics history. Dr. Faires has won many awards, including Outstanding College-University Teacher of Mathematics, Ohio Section of MAA (1996) and Youngstown State University, Distinguished Professor for Teaching (1995-1996).

Richard L. Burden is Emeritus Professor of Mathematics at Youngstown State University. His master's degree in mathematics and doctoral degree in mathematics, with a specialization in numerical analysis, were both awarded by Case Western Reserve University. He also earned a masters degree in computer science from the University of Pittsburgh. His mathematical interests include numerical analysis, numerical linear algebra, and mathematical statistics. Dr. Burden has been named a distinguished professor for teaching and service three times at Youngstown State University. He was also named a distinguished chair as the chair of the Department of Mathematical and Computer Sciences. He wrote the Actuarial Examinations in Numerical Analysis from 1990 until 1999.

Users Review

From reader reviews:

Jordan Weatherspoon:

Have you spare time for a day? What do you do when you have a lot more or little spare time? Yes, you can choose the suitable activity regarding spend your time. Any person spent their very own spare time to take a wander, shopping, or went to the Mall. How about open or perhaps read a book called Student Solutions Manual for Faires/Burden's Numerical Methods, 4th? Maybe it is to be best activity for you. You know beside you can spend your time with the favorite's book, you can cleverer than before. Do you agree with it is opinion or you have some other opinion?

Mary Buss:

The book Student Solutions Manual for Faires/Burden's Numerical Methods, 4th can give more knowledge and also the precise product information about everything you want. So why must we leave the great thing like a book Student Solutions Manual for Faires/Burden's Numerical Methods, 4th? Some of you have a different opinion about e-book. But one aim in which book can give many facts for us. It is absolutely right. Right now, try to closer with the book. Knowledge or information that you take for that, you can give for each other; you may share all of these. Book Student Solutions Manual for Faires/Burden's Numerical Methods, 4th has simple shape however, you know: it has great and large function for you. You can appear the enormous world by wide open and read a e-book. So it is very wonderful.

Robbie Lewis:

Do you have something that you enjoy such as book? The publication lovers usually prefer to select book like comic, brief story and the biggest the first is novel. Now, why not seeking Student Solutions Manual for Faires/Burden's Numerical Methods, 4th that give your entertainment preference will be satisfied by means of reading this book. Reading habit all over the world can be said as the method for people to know world far better then how they react in the direction of the world. It can't be claimed constantly that reading habit only for the geeky individual but for all of you who wants to become success person. So , for all of you who want to start studying as your good habit, you may pick Student Solutions Manual for Faires/Burden's Numerical Methods, 4th become your own starter.

Nancy Steffen:

Do you like reading a publication? Confuse to looking for your selected book? Or your book has been rare? Why so many issue for the book? But almost any people feel that they enjoy regarding reading. Some people likes studying, not only science book but also novel and Student Solutions Manual for Faires/Burden's Numerical Methods, 4th or even others sources were given information for you. After you know how the good a book, you feel need to read more and more. Science guide was created for teacher or perhaps students especially. Those books are helping them to bring their knowledge. In other case, beside science guide, any other book likes Student Solutions Manual for Faires/Burden's Numerical Methods, 4th to make your spare time more colorful. Many types of book like this one.
