Editorial Review

Review
"One of the most successful motivational speakers in America, Norvell writes energetically, with very modern clarity and forcefulness. This book was written in 1963 but his ideas make as much sense today as they did decades ago. It’s a confidence pick-me-up, a feel-good read, and a very worthwhile investment of both time and money"

About the Author

ANTHONY NORVELL (1908–1990) was a popular writer and lecturer on occult and esoteric topics, particularly the uses of visualization to bend reality to the individual’s personal will. He had a gift for making arcane ideas into workable, practical, and accessible methods. For many years, he lectured weekly at New York’s Carnegie Hall. *The Million Dollar Secret Hidden in Your Mind,* originally published in 1963, was among his most popular works.
