Walk on Earth a Stranger (Gold Seer Trilogy) By Rae Carson

Gold is in my blood, in my breath, even in the flecks in my eyes.

Lee Westfall has a strong, loving family. She has a home she loves and a loyal steed. She has a best friend--who might want to be something more.

She also has a secret.

Lee can sense gold in the world around her. Veins deep in the earth. Small nuggets in a stream. Even gold dust caught underneath a fingernail. She has kept her family safe and able to buy provisions, even through the harshest winters. But what would someone do to control a girl with that kind of power? A person might murder for it.

When everything Lee holds dear is ripped away, she flees west to California--where gold has just been discovered. Perhaps this will be the one place a magical girl can be herself. If she survives the journey.

The acclaimed Rae Carson begins a sweeping new trilogy set in Gold Rush-era America, about a young woman with a powerful and dangerous gift.

Editorial Review

From School Library Journal
Gr 6 Up—This riveting saga features 15-year-old tomboy Leah, who has an extraordinary talent, the ability to sense when gold is near. She uses this skill to provide for her ailing parents, who live in an isolated part of Dahlonega, GA, the site of the first major U.S. gold rush in the early 1800s. They lead a fairly frugal existence so as not to arouse local suspicions. When her parents are robbed and murdered and her best (and only) friend, a half-white, half-Cherokee boy named Jefferson, leaves Georgia for a new gold rush in California, her world is turned upside down. To make matters worse, a nefarious uncle comes to claim her parents' property and use her gold-seeking skills for ill intent. Disguised as a boy, she leaves the only home she's ever known to reunite with Jefferson and join a wagon train. Lee, as she calls herself, is a smart, feisty, and likable protagonist who encounters all the hardships one would expect on the arduous journey West—illness, injury, hunger, exposure to extreme weather, and buffalo stampedes. All the while, she knows her uncle will stop at nothing to hunt her down. At the crux of the story is Leah's dilemma of keeping her gender and talent a secret from those to whom she becomes close. The time period rings true through Carson's skillful use of language and attention to detail. VERDICT Though the wagon train adventure is slightly cliché, the fast-paced plot, a hint of mild romance, and the added element of fantasy make this stand out from your average Gold Rush story.—Madeline J. Bryant, Los Angeles Public Library

Praise for *Walk On Earth A Stranger*:

***New York Times* Bestseller**
Fall 2015 Kids' Indie Next List selection
National Book Award longlist title
YALSA 2016 Best Fiction for Young Adults pick
2016 Spur Award for Western Juvenile Fiction

“Simply terrific—tense and exciting, while gently and honestly addressing the brutal hardships of the westward migration. …[Leah] takes center stage as a smart, resourceful, determined, and realistic heroine who embodies the age-old philosophy that it isn’t what happens to you, but how you react to it that matters.” (Publishers Weekly (starred review))

“Lee…is a smart, feisty, and likable protagonist who encounters all the hardships one would expect on the arduous journey West…the fast-paced plot, a hint of mild romance, and the added element of fantasy make this stand out.” (School Library Journal)

“Carson is known for her world-building and strong female characters and she handles everything with carefully constructed, well-researched aplomb. It’s a book that illuminates an important segment of American history…sustaining YA interest through adventure, fantasy, and romance.” (Booklist (starred review))

“With an organically diverse cast, three-dimensional characters, a vividly evoked setting, and the lightest touch of romance, Carson’s novel captures the trepidation and exhilaration of journeying into the unknown.” (The Horn Book)

“An empowering and powerful read perfect for one who enjoyed history and adventure. …Carson takes us

on a wild wagon journey peppered with drama and mystery." (Romantic Times BOOKclub)

"Pure storytelling gold. …The author capably crosses genres and breaks stereotypes, and the result is an absorbing adventure that only hints at the thrills that will surely come in the next two books." (The Daily Summit)

"Carson's world-building skills are extraordinary…The author paints an early America that is teeming with people from an array of backgrounds and beliefs-the diversity of the characters is as integral to the plot of the book as it was to shaping the United States." (Voice of Youth Advocates (VOYA))

"Lee is an ambitious, generous, kind and scrappy character…Fans of Carson's work will enjoy this road-trip-turned-Western, and newcomers will love the flair she brings to her characters and settings." (Deseret News)

"Carson does nice work adding nuance to her side characters, showing minor evolutions that challenge the racism, sexism, and classism deeply rooted in most of the people Leah encounters…Fantasy readers will likely find Leah and her gold-sensing core to be intriguingly different than the usual heroine." (Bulletin of the Center for Children's Books)
