Wolf Moon By Charles De Lint

His name when he was human was Kern. Now he is the most feared of beings: a werewolf. When the change first came upon him, his parents drove him away with silver daggers. Later, he sought human companionship, but he could not hide the truth for long. And so he kept running until he ran headlong into the deadliest pursuer of all-a harper bent on stealing his life away. By chance Kern was able to find refuge at the Inn of the Yellow Tinker, and the woman he was destined to love. But can he risk both human and harper vengeance to keep her?

Editorial Review

From Library Journal
Fleeing from those who would destroy him for his shapeshifting nature, Kern Kindregan finds a home and security with the gentle folk of a wayside inn until a harper with malice in his song and hatred for "werewolves" in his heart shatters Kern's fragile peace. The author's skill at reshaping old themes into new forms makes his latest novel a good choice for fantasy collections. JC
