Death in the Silent Places By Peter Hathaway Capstick

Already recognized as a master of adventure writing for his classic *Death in the Long Grass*, former big-game hunter Capstick now turns from his own exploits to those of some of the greatest hunters of the past, in *Death in the Silent Places*. With his characteristic color and flair he recalls the extraordinary careers of hunting men like Colonel J.H. Patterson and Colonel Jim Corbett, who stalked legendary man-eaters through the silent darkness on opposite sides of the world; men like Karamojo Bell, acknowledged as the greatest elephant hunter of all time; men like the valiant Sasha Siemel, who tracked killer jaguars though the Matto Grosso armed only with a spear. With an authenticity gained by having shared the experiences he writes of, Peter Capstick eloquently recreates the acrid taste of terror in the mouth of a man whose gun has jammed as a lion begins his charge, the exhilaration of tracking and finding a long-sought prey, the bravery and even nobility of performing under circumstances of primitive and savage stress, with death all around in the silent places of the wilderness.

Editorial Review

Review

“Few writers have matched Capstick's flair for describing the hunt...in gruesome, realistic terms...A page-turner that is absolutely spine-tingling.” ?*Publishers Weekly*

“This book had me on the edge of my seat. . .297 pages of spine-tingling yarns.” ?*New York Times Book Review*

“*Death in the Long Grass* is an exciting book, superbly written.” ?*Guns & Ammo*

“Capstick...is brilliant in his description of his hunts for some of Africa's most vicious killers...The terror produced by some of these pieces is almost too real. As the pages turn, breathing grows shallow, adrenalin is pumped into the veins, the palms sweat until the outcome is resolved and there is time to drag a handkerchief across a damp brow.” ?*Chicago Sun-Times (Triple Recommendation Rating)*

“*Death in the Long Grass* will excite you, scare you and make you laugh...as a source of information it surpasses itself, and as a narrative it will hold the reader spellbound. . .” ?*Guns Magazine*
