In the Dust of This Planet: Horror of Philosophy (Volume 1) By Eugene Thacker

"Thacker's discourse on the intersection of horror and philosophy is utterly original and utterly captivating..." Thomas Ligotti, author of *The Conspiracy Against the Human Race*

The world is increasingly unthinkable, a world of planetary disasters, emerging pandemics, and the looming threat of extinction. In this book Eugene Thacker suggests that we look to the genre of horror as offering a way of thinking about the unthinkable world. To confront this idea is to confront the limit of our ability to understand the world in which we live - a central motif of the horror genre. In the Dust of This Planet explores these relationships between philosophy and horror. In Thacker's hands, philosophy is not academic logic-chopping; instead, it is the thought of the limit of all thought, especially as it dovetails into occultism, demonology, and mysticism. Likewise, Thacker takes horror to mean something beyond the focus on gore and scare tactics, but as the under-appreciated genre of supernatural horror in fiction, film, comics, and music.

Editorial Review

Review
The book is featured in the Radiolab episode "In The Dust Of This Planet" (radiolab.org/story/dust-planet/).

"Thacker's discourse on the intersection of horror and philosophy is utterly original and utterly captivating...*In the Dust of This Planet* is an encyclopedic grimoire instructing us in the varieties of esoteric thought and infernal diversions that exist for the reader's further investigation, treating us to a delightful stroll down a midway of accursed attractions that alone are worth the ticket of this volume."
Thomas Ligotti, author of *Songs of a Dead Dreamer* and *The Conspiracy Against the Human Race*

Glenn Beck (ex-Fox News) has done a segment on his show unpicking the "pop-nihilist" conspiracy from the book; posted on youtube.com/watch?v=2IW8OK4_1gQ (Glenn Beck *September 2014*)

About the Author
Eugene Thacker is a New York based author.

From reader reviews:

Curt Roepke:

Within other case, little folks like to read book In the Dust of This Planet: Horror of Philosophy (Volume 1). You can choose the best book if you appreciate reading a book. Providing we know about how is important a book In the Dust of This Planet: Horror of Philosophy (Volume 1). You can add know-how and of course you can around the world by way of a book. Absolutely right, mainly because from book you can learn everything! From your country until eventually foreign or abroad you may be known. About simple point until wonderful thing you are able to know that. In this era, you can open a book as well as searching by internet gadget. It is called e-book. You can utilize it when you feel bored stiff to go to the library. Let's read.

Teressa Fernandez:

Information is provisions for those to get better life, information these days can get by anyone with everywhere. The information can be a understanding or any news even restricted. What people must be consider whenever those information which is from the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take In the Dust of This Planet: Horror of Philosophy (Volume 1) as the daily resource information.

Melissa Gusman:

A lot of people always spent their free time to vacation or even go to the outside with them loved ones or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity that's look different you can read some sort of book. It is really fun for yourself. If you enjoy the book that you just read you can spent the entire day to reading a guide. The book In the Dust of This Planet: Horror of Philosophy (Volume 1) it doesn't matter what good to read. There are a lot of people who recommended this book. These were enjoying reading this book. In case you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore very easily to read this book from your smart phone. The price is not very costly but this book features high quality.

Ryan Fox:

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this In the Dust of This Planet: Horror of Philosophy (Volume 1) can make you really feel more interested to read.
