Editorial Review

From Booklist
Business success is spelled in many different ways. For most, it's dollars in the millions. For some, a corporate title with global perks. Yet others count on creativity to reach their goals. Milazzo, a pioneer and entrepreneur in the field of legal nurse consulting, considers all of the above--but, most importantly, identifies and skillfully employs 10 strengths common to both genders. It is, however, aimed at women because of the unique and documented bonds between and among women, not to mention the financial power of 6.7 million business owners and $1.2 billion in revenues. Her practical idea? That five promises together ignite 10 different strengths, from passion to female fusion; each strength is accompanied by actions to take, steps to consider, the "promise" connection, plenty of quotes, and a more-than-appropriate case history. The last strength, female fusion, is in reality a structured workshop to hold with 10 powerful women to help further life and work goals. New Age? For sure. But definitely a time and a place to venture into and explore. *Barbara Jacobs*

From the Publisher
The self-made multi-millionaire does not offer the same prescriptions as other self-help books. Building on her own personal experiences and the experiences of dozens of other women, she filled the book with strategies and motivational formulas that encourage women to live their values and to value their inherent feminine qualities.

Milazzo’s unique, fresh voice seeks to empower women in a way that is realistic and time-tested. She has invented the Female Fusion phenomenon to bring women together in a powerful and new way to move them toward their goals.

Milazzo dynamically shows how women can become the CEOs of their lives. She shares dozens of

compelling stories to illustrate how to harness one’s feminine qualities, rather than subdue them. Her book celebrates women and reveals the secrets she has shared while mentoring women to phenomenal levels of success.

"This book is not for whiners or complainers but for women who seek to enrich their lives," says Milazzo. She coaches women through an exploration of their hidden strengths and invites them to take the action steps that will help them achieve the career and life success they want and deserve.

Whether you’re positioning for a promotion, contemplating a career change, considering starting your own business or pursuing an important life goal, Inside Every Woman demonstrates how to bring out what’s already inside of you to achieve success.
