Oxford American Handbook of Clinical Medicine (Oxford American Handbooks in Medicine) By John A. Flynn

Written by leading American practitioners, the Oxford American Handbooks of Medicine each offer a pocket-sized overview of an entire specialty, featuring instant access to guidance on the conditions that are most likely to be encountered. Precise and prescriptive, the handbooks offer up-to-date advice on examination, investigations, common procedures, and in-patient care. These books will be invaluable resources for residents and students, as well as a useful reference for practitioners.

The most popular medical handbook in the world, the *Oxford Handbook of Clinical Medicine*, is a dependable manual geared for ultra-quick reference any time. At almost 900 pages, it is comprehensive enough to serve as a mini-text in clinical medicine, yet it is thin and light and uses concise, bulleted text, quick reference tabs, four-color presentation, and bookmark ribbons to help provide fast answers on the ward. Written by a team of authors from the acclaimed Johns Hopkins University School of Medicine, this new Handbook presents the basics of clinical medicine for students, residents, nurses, and anyone wanting a succinct, comprehensive, and affordable volume in the proven format of the Oxford Handbook Series.

Why choose the Oxford American Handbook of Clinical Medicine?

The design....
The *Oxford American Handbook of Clinical Medicine* uses a unique flexicover design that's durable and practical. Compact, light, and fits in your pocket! Also has quick reference tabs, four-color presentation, and bookmark ribbons to help provide fast answers.

The iPhone App....
An intuitive iPhone application has been designed for the Handbook with the objective of allowing professional users to access the precise information they need or reference content with a three-click action. Available at http://itunes.com/apps/oxfordamericanhandbookofclinicalmedicine

The interior layout....
The *Oxford American Handbook of Clinical Medicine* is a quick reference in a small, innovative package. With one to two topics per page, it provides easy access and the emergency sections are in red to stand out. Icons throughout aid quick reference.

The information....
The *Oxford American Handbook of Clinical Medicine* succinctly covers all the essential topics in a one or two-page spread format with colored headings that break up the text and provide a logical structure for readers of all levels. Common clinical questions are answered clearly and extensively.

The history....
Oxford University Press is known around the world for excellence, tradition, and innovation. These handbooks are among the best selling in the world.

The price....
You get an extremely useful tool at a great value!

Editorial Review

Review
"It abounds with extensive wisdom and solid medicine. There is valuable information there waiting for those in learning mode who take the time to read through it. The format makes it easy to carry in a lab coat pocket for reference when thinking about a patient and for paging through when eating lunch. It is well worth the investment."--Doody's

About the Author
John A. Flynn is an Associate Professor of Medicine and Clinical Director of the Division of General Internal Medicine at Johns Hopkins University School of Medicine.

Users Review
