Shadowfell By Juliet Marillier

Sixteen-year-old Neryn is alone in the land of Alban, where the oppressive king has ordered anyone with magical strengths captured and brought before him. Eager to hide her own canny skill--a uniquely powerful ability to communicate with the fairy-like Good Folk--Neryn sets out for the legendary Shadowfell, a home and training ground for a secret rebel group determined to overthrow the evil King Keldec.

During her dangerous journey, she receives aid from the Good Folk, who tell her she must pass a series of tests in order to recognize her full potential. She also finds help from a handsome young man, Flint, who rescues her from certain death--but whose motives in doing so remain unclear. Neryn struggles to trust her only allies. They both hint that she alone may be the key to Alban's release from Keldec's rule. Homeless, unsure of who to trust, and trapped in an empire determined to crush her, Neryn must make it to Shadowfell not only to save herself, but to save Alban.

Editorial Review

From School Library Journal
Gr 8 Up-An engaging read for fans of traditional fantasy. Neryn's father, her only surviving relative, has just wagered her in a game of chance-and lost. For years they have been on the run, living cold and hungry at the margins of society in an attempt to hide Neryn's dangerous secret: she has the magical ability to see and sense the Fey creatures that populate Alban. But all magic has been outlawed in the realm except that which is practiced by the king's men. Now Neryn finds herself with Flint, the winner of the wager. He seems to be a potential ally, and she is tempted to confide in him as she embarks on her quest to join a resistance movement. But he is obviously withholding information, and besides, all confidences are dangerous in a world in which the king's men conduct violent raids on all who are rumored to resist the regime. Both characters face serious and interesting moral dilemmas, and the romance between them feels less rushed than in some fantasy romances. Fans of Kristin Cashore and Tamora Pierce will find much to enjoy in this first installment of a planned trilogy.-Hayden Bass, Seattle Public Library, WAα(c) Copyright 2011. From Booklist
Living as a vagabond with her gambling father was not easy for Neryn, but it was vastly simpler and safer than her current path. After Neryn’s father is drowned, she is taken by Flint, an enforcer for King Keldec, whose forces were responsible for the death of most of Neryn’s family, but who swears he will keep her safe. Also keeping her safe are the small woodland fey, who know she has special powers that may lead to triumph in her secret purpose: to find Shadowfell, the secret training ground for the rebel forces set to defeat Keldec. As she and Flint journey, Neryn faces illness, cold, adversaries, and nearly dies but for Flint’s steadfast care. But even as they grow close amid dangerous conditions on this noble quest, she is unable to give herself over to trusting him. This first in a trilogy lays ample groundwork from which readers can expect a slow unfolding of romance, an epic defense of a way of life, and a strong, complex heroine coming into her own. Grades 7-10. --Heather Booth

Review
Kirkus Reviews Best of Teen's Books 2012

Starred Review, Publishers Weekly, August 6, 2012:
“For those that wish that Tolkien had explored the character of Aragorn more deeply, Marillier provides the next best thing.”

From the Hardcover edition.

Users Review

From reader reviews:

Robert Crawford:

What do you regarding book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have free

time? What did you do? Everyone has many questions above. They must answer that question since just their can do in which. It said that about guide. Book is familiar on every person. Yes, it is appropriate. Because start from on jardín de infancia until university need this specific Shadowfell to read.

Edna Vachon:

The guide untitled Shadowfell is the book that recommended to you to learn. You can see the quality of the publication content that will be shown to an individual. The language that writer use to explained their way of doing something is easily to understand. The article writer was did a lot of research when write the book, hence the information that they share to you is absolutely accurate. You also can get the e-book of Shadowfell from the publisher to make you a lot more enjoy free time.

Rosalie Castillo:

As we know that book is essential thing to add our knowledge for everything. By a publication we can know everything we wish. A book is a list of written, printed, illustrated or even blank sheet. Every year had been exactly added. This book Shadowfell was filled with regards to science. Spend your time to add your knowledge about your research competence. Some people has various feel when they reading a book. If you know how big selling point of a book, you can truly feel enjoy to read a reserve. In the modern era like now, many ways to get book that you simply wanted.

Jason Bradley:

What is your hobby? Have you heard that question when you got college students? We believe that that issue was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. So you know that little person including reading or as reading through become their hobby. You need to know that reading is very important in addition to book as to be the matter. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You see good news or update with regards to something by book. Amount types of books that can you take to be your object. One of them is this Shadowfell.
