The Papers of James Monroe: A Documentary History of the Presidential Tours of James Monroe, 1817, 1818, 1819^LVolume 1 By Daniel Preston

Despite his major role in early American history, President James Monroe has been the subject of limited scholarly work, due largely to the difficulty of locating his papers, especially in a published collection. Monroe scholarship is based on only 25 percent of his papers, and a great mass of material?over 25,000 items?has remained mostly unknown and unused until now. The eight-volume *Papers of James Monroe* project will fill a major gap in American history and provide access to the massive and widely scattered Monroe Papers, enabling scholars to revisit Monroe's role in the birth and infancy of the United States. This volume covers Monroe's presidential tours in 1817, 1818, and 1819, including his correspondence, newspaper accounts, and eyewitness accounts.

All major founders of the American nation have modern documentary collections?with the notable exception of James Monroe. Yet Monroe was not a minor figure, having served as Minister to France, Minister to Great Britain, Secretary of State, and Secretary of War.

Judy Turner:

Many people spending their moment by playing outside with friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by studying a book. Ugh, do you consider reading a book can actually hard because you have to bring the book everywhere? It ok

you can have the e-book, having everywhere you want in your Cell phone. Like The Papers of James Monroe: A Documentary History of the Presidential Tours of James Monroe, 1817, 1818, 1819^LVolume 1 which is obtaining the e-book version. So , why not try out this book? Let's find.

Sheila Messina:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Papers of James Monroe: A Documentary History of the Presidential Tours of James Monroe, 1817, 1818, 1819^LVolume 1 can make you experience more interested to read.
