Editorial Review

Review
Leaders of many religious groups (even including several mainstream churches) are twisting the Scriptures to subtly coerce cooperation from their members. In the process, personalities are changed and lives ruined. Mary Alice Chrnalogar is a deprogrammer with an international reputation. Chrnalogar reveals how classic mind control techniques are used to systematically seduce followers into total obedience. Twisted Scriptures: A Path To Freedom From Abusive Churches shows readers how to tell when churches are suppressing freedom of speech, intimidating followers, and distorting the Bible. Twisted Scriptures is invaluable as a self-help guide and as a tool for families and friends to free loved ones from destructive groups. -- *Midwest Book Review*
