Zip By Ellie Rollins

“Pure whimsical delight. Magic does blow throughout the world, and *Zip* proves it!" —Lauren Myracle, *New York Times* bestselling author of *ttyl*

one girl + one scooter = journey of a lifetime

When Lyssa’s mother died, so did the magic—that special something that always made the sunflowers grow taller and the strawberry jelly taste sweeter. So when Lyssa receives the alarming news that her childhood home in Texas is about to be bulldozed, she sets off on a two-wheeled cross-country journey to save her family home—and with it, the last remaining sparkle of her earlier life. On her odyssey, Lyssa meets some decidedly unusual people—from rowdy cowgirls to a chorus line of singing mermaids—and discovers adventure at every highway turn. But it’s the magic that she uncovers, little by little, along the way that will ultimately put a new zip in her step!

Editorial Review

Review
“Zip, zap, and zoom with Lyssa as she races against the clock!” —GirlsLife.com

“A clever novel with a bright and spunky heroine. Readers will root for her and empathize with her search to find her place in the world.” —*School Library Journal*

“Slapstick humor and a sense of magic help maintain this affecting story’s levity as Lyssa learns to overcome her fears and accept change.” —*Publishers Weekly*

“Totally enchanting! I loved this book every step of the way! Lyssa’s journey is a once-in-a-lifetime odyssey, where seeds sprout in front of your eyes and the winds of change blow you to runaway rockstars and glass-skinned monsters alike.” —Shelby Bach, author of *Of Giants and Ice*

About the Author
Ellie Rollins spent her childhood zipping across the Midwest. Since then, she's chased many of her own adventures in places like Seattle, Paris, and New York. She received her BA from the University of Washington in 2008 and now works in publishing. *Snap* is her second novel.

Users Review

From reader reviews:

Cheryl Grosvenor:

Now a day people who Living in the era just where everything reachable by interact with the internet and the resources included can be true or not require people to be aware of each data they get. How individuals to be smart in receiving any information nowadays? Of course the answer is reading a book. Reading a book can help people out of this uncertainty Information specifically this Zip book because book offers you rich info and knowledge. Of course the knowledge in this book hundred % guarantees there is no doubt in it you probably know this.
