Editorial Review

Review
"Highly Amusing" (*Financial Times*, Saturday 25th August 2007)

From the Inside Flap

Praise for

HedgeHogging

"Barton Biggs writes about markets with greater style, clarity, and insight than any other observer of the Wall Street scene. His new book, Hedgehogging, entertains immensely even as it provides countless valuable lessons regarding hedge funds and the investment world they inhabit."
—David F. Swensen, Chief Investment Officer, Yale University

"Since the glory days of the tech bubble, investing has become a perilous enterprise. Not the least for those running money in the proliferating hedge fund business. In Hedgehogging, Biggs offers a fascinating glimpse behind the scenes at the personalities and egos making decisions about the enormous sums being dumped en masse into these funds. This book is great. It's full of personal anecdotes and critical insights from an insider's insider. You should not even consider giving money to anyone on Wall Street ever again until you've read this book."
—Addison Wiggin, Agora Financial LLC, author of the New York Times bestseller The Demise of the Dollar, and coauthor of Empire of Debt
