Raven Flight: A Shadowfell novel By Juliet Marillier

Neryn has finally found the rebel group at Shadowfell, and now her task is to seek out the elusive Guardians, vital to her training as a Caller. These four powerful beings have been increasingly at odds with human kind, and Neryn must prove her worth to them. She desperately needs their help to use her gift without compromising herself or the cause of overthrowing the evil King Keldec.

Neryn must journey with the tough and steadfast Tali, who looks on Neryn's love for the double agent Flint as a needless vulnerability. And perhaps it is. What Flint learns from the king will change the battlefield entirely—but in whose favor, no one knows.

Editorial Review

From School Library Journal
Gr 8 Up-In this sequel to Shadowfell (Knopf, 2012), Neryn has carved out an existence among the residents of the rebel outpost. War against tyrannical King Keldec is imminent, and Neryn's Caller powers will be crucial to victory. To complete her training, the heroine must continue to seek valuable knowledge from the magical Guardians of Alban. But convincing them to help won't be easy. Moreover, Neryn continues to be haunted by both the extent of her powers and her feelings for double-agent Flint. Reluctantly accompanied by the prickly warrior, Tali, and assisted by magical beings called Good Folk, Neryn embarks on a treacherous mission that, ultimately, will change her life. Raven Flight is just as much a personal journey as a physical one in that Marillier devotes the bulk of the text to character development. The first-person narrative gives an intimate glimpse into the protagonist's inner life, and readers will appreciate how Neryn and Tali grow because of each other's company. Vivid settings and exquisite prose combine to make this novel a winner. Fans of Shadowfell will devour it and eagerly anticipate the trilogy's concluding volume.-Alissa J. From Booklist
In this sequel to Shadowfell (2012), Neryn has reached Shadowfell, joined the rebel stronghold of which Flint spoke, and begun to be accepted. But though her journey is eased by having training and help, the tension and danger increase as the rebel forces continue their plotting to overthrow King Keldec. Meanwhile, Neryn and Flint grow closer, despite their distance. Neryn journeys with Tali, a serious warrior and trainer, who slowly warms to Neryn as the two women learn to work together, leading up to the dramatic and emotional ending, which will leave readers anxious for the final volume. Marillier’s first-person prose is beautiful in its description of both the harsh conditions and difficult tasks, and the dialect of the Good Folk is rhythmic and warm: “Dinna try tae talk. Ye’re lookin’ peaky.” Fantasy readers looking for a well-crafted tale that unfolds slowly, with characters whose depths continue to grow along with their relationships, will be well rewarded. Grades 7-10. --Heather Booth

About the Author
JULIET MARILLIER is the author of several highly popular fantasy novels for adults, including the Sevenwaters Trilogy and the Bridei Chronicles. She is also the author of the teen novels *Wildwood Dancing* and *Cybele's Secret.*

Users Review
