Sex, Lies, and Online Dating (Writer Friends Book 1) By Rachel Gibson

She explained the trouble with Valentine's Day *(as if you didn't know!) Now Rachel Gibson tells all about . . .*

Sex . . .

What is it about men anyway? Bad cars, bad jobs, even bad teeth—nothing convinces them that they can't snare a Size Two Babe with a D-cup chest. And after way too many internet dates with men named "luvstick" and "bigdaddy182," Lucy Rothschild should know.

Lies . . .

But sitting across from her now is "hardluvnman," and he seems different—sensitive, honest, and hot! He says he's a plumber, while Lucy claims she's a nurse! She's really a mystery writer, dating online while researching her next book. Hey, everyone lies a little, don't they?

And Online Dating . . .

But Quinn's really an undercover cop hunting down a serial killer, and he sees Lucy as his top suspect. And while he could really go for this smart, sexy woman with the killer bod—if that's the only thing "killer" about her—he knows he needs to wine and dine her and discover the truth. Hey, he realizes the dating scene can be deadly—but this is ridiculous!

Editorial Review

From Publishers Weekly
What's a homicide detective to do when tracking down a female serial killer who targets her victims via online dating sites? In Gibson's breezy, formulaic new romance set in Boise, Idaho, said detective—handsome Quinn McIntyre—logs online and goes out on numerous first dates until he pinpoints the woman wacko enough to have committed the crimes. So begins the relationship between Quinn and Lucy Rothschild, a well-educated, 30-something professional who fits the killer's profile. Quinn isn't the only one with an agenda, however. Lucy, a mystery writer, is doing research for her next novel, which coincidentally features a female serial killer and Internet dating. Mutual lust impedes both Quinn and Lucy's plans, and miscommunication and the real serial killer serve as speed bumps on their path to love. While Gibson's fast-paced romp is mildly entertaining, her flimsy plot doesn't hold up to scrutiny, and her protagonists—the capable detective who's married to his work and the smart female who's been burned by a parade of Mr. Wrongs—never grow beyond their prescribed roles. *(Feb.)*

From Booklist
Lucy Rothschild has come up with a daring way of doing research for her newest mystery novel. Since her female serial killer meets her victims online, Lucy does the same. The men who respond to her e-mails and meet her in the Boise Starbucks provide excellent fodder, as well as verisimilitude. Finally Lucy only needs one more victim. Unbeknownst to her, Quinn McIntyre is actually an undercover detective trying to stop a serial killer. One thing the victims all have in common is that they are part of the online dating scene. As Quinn chats with Lucy, it becomes apparent that she is lying and that she knows way too much about police procedure. Lucy begins to fall for him, and Quinn falls for her, believing all the while that she's the killer. How Lucy's novel reads and how the serial killer's MO are so alike is just one of the fascinating aspects of Gibson's latest delightful page-turner. The others are her truly appealing and convincing characters. *Maria Hatton*

About the Author

Rachel Gibson began her fiction career at age sixteen, when she ran her car into the side of a hill, retrieved the bumper, and drove to a parking lot, where she strategically scattered the car’s broken glass all about. She told her parents she’d been the victim of a hit-and-run and they believed her. She’s been making up stories ever since, although she gets paid better for them nowadays.

Users Review

From reader reviews:

Charles Dame:

The book Sex, Lies, and Online Dating (Writer Friends Book 1) make you feel enjoy for your spare time. You need to use to make your capable a lot more increase. Book can to be your best friend when you getting pressure or having big problem using your subject.
