Stealing the Initiative: How State Government Responds to Direct Democracy By Elisabeth R. Gerber, Arthur Lupia, Mathew D. McCubbins, D. Roderick Kiewiet

This book uses eleven recent California initiatives and referendums to provide readers with a set of analytical tools and examples that will help them better understand real politics. It clarifies the public consequences, and studies the great variations of what happens to initiatives that win on Election Day and withstand judicial review. Research is presented in an effective and efficient manner, along with key factors that lead policy actors to implement and enforce initiatives and referendums fully, partially, and not at all—a social phenomenon that affects our lives in fundamental ways. A wide range of policy areas cover tobacco tax, transportation, legislative spending provision, term limits provision, open primaries, and bilingual education. This book also includes varied conclusions about how to reform the initiative process to improve direct democracy. For citizens who want to understand and/or increase their role in government.
