The Bone Doll's Twin (Tamir Trilogy, Book 1) By Lynn Flewelling

Sometimes the price of destiny is higher than anyone imagined....

Dark Magic, Hidden Destiny

For three centuries a divine prophecy and a line of warrior queens protected Skala. But the people grew complacent and Erius, a usurper king, claimed his young half sister’s throne.

Now plague and drought stalk the land, war with Skala’s ancient rival Plenimar drains the country’s lifeblood, and to be born female into the royal line has become a death sentence as the king fights to ensure the succession of his only heir, a son. For King Erius the greatest threat comes from his own line — and from Illior’s faithful, who spread the Oracle’s words to a doubting populace.

As noblewomen young and old perish mysteriously, the king’s nephew — his sister’s only child — grows toward manhood. But unbeknownst to the king or the boy, strange, haunted Tobin is the princess’s daughter, given male form by a dark magic to protect her until she can claim her rightful destiny.

Only Tobin’s noble father, two wizards of Illior, and an outlawed forest witch know the truth. Only they can protect young Tobin from a king’s wrath, a mother’s madness, and the terrifying rage of her brother’s demon spirit, determined to avenge his brutal murder....

Editorial Review

From Booklist
Young Tobin had the misfortune of being born female in perilous times, in which high-born females of all ages are being murdered by order of the king, to ensure his son's succession to the throne. Years earlier, King Elrius usurped his sister's rightful claim to the throne--an act that abrogated the divine protections set over his people, bringing plague and war to the land. There are those who would see the divine prophecies honored, however, and a warrior queen restored to the throne. So Tobin is disguised by means of dark magic that conceals her true gender with that of her twin brother, who was killed at birth, but not fast enough. He drew a single breath, which was enough to keep his soul earthbound and horribly angry. Tobin will indeed be queen, but only if she can be protected until adulthood from her insane mother, her demonic brother, and every evil wizard in the land. This terrific tale is dark and exciting, and the magic in it is truly wonderful.

Review
“This terrific tale is dark and exciting, and the magic in it is truly wonderful ... A magnificent epic.”
— *Booklist*

“A gripping tale of magic with an unusual form of sex change for added interest. Left me eager for more.”
— *Locus*

“A thoroughly engrossing new fantasy. It got its hooks into me on the first page and didn’t let go.”
— George R.R. Martin

“A relentless tale that examines whether the ends can ever completely justify the means.”
— Robin Hobb

“Fresh and original ... Books like this are too good not to share.”
— Katherine Kurtz
