Love Waits By Gerri Hill

High school sweethearts…and nobody knew.

Ashleigh Pence had been the all-American high school girl: cheerleader, prom queen…and in love with another girl. Gina Granbury hasn't thought about Calloway High in twenty years, but the arrival of the invitation to the class reunion brings back memories of Ashleigh and the betrayal that drove them apart.

With no real choice, Ashleigh has to go the event, hoping that it's not the one reunion that Gina decides to attend after all these years. Gina had expected to dismiss the possibility as easily as she has during all the years since, but the curiosity is suddenly strong. Her long-broken heart has never mended, but that's no reason to go back in time…is it?

Twenty years seem like yesterday in this latest passionate story from Golden Crown award winner Gerri Hill.

Users Review

From reader reviews:

Joyce Matchett:

Book is usually written, printed, or created for everything. You can realize everything you want by a e-book. Book has a different type. As it is known to us that book is important point to bring us around the world. Next to that you can your reading ability was fluently. A e-book Love Waits will make you to possibly be smarter. You can feel a lot more confidence if you can know about anything. But some of you think which open or reading some sort of book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you in search of best book or acceptable book with you?

Jeffrey Primo:

The actual book Love Waits will bring that you the new experience of reading a book. The author style to describe the idea is very unique. Should you try to find new book to read, this book very appropriate to you. The book Love Waits is much recommended to you you just read. You can also get the e-book from official web site, so you can more easily to read the book.

Brenda Fairfax:

In this age globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. The book that recommended to you is Love Waits this guide consist a lot of the information on the condition of this world now. This particular book was represented how can the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. Often the writer made some research when he makes this book. Honestly, that is why this book appropriate all of you.

Jessie Loudermilk:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book was rare? Why so many query for the book? But any kind of people feel that they enjoy to get reading. Some people likes

looking at, not only science book but in addition novel and Love Waits as well as others sources were given understanding for you. After you know how the truly great a book, you feel want to read more and more. Science guide was created for teacher or perhaps students especially. Those ebooks are helping them to add their knowledge. In some other case, beside science guide, any other book likes Love Waits to make your spare time far more colorful. Many types of book like here.
