Editorial Review

Review
`Review from previous edition the dictionary is a fantastic piece of work, full of good examples, very instructive, and carefully done'
Dr Ignacio M. Palacios Martinez, Universidad de Santiago

`Given the global reputation of Oxford lexicography, the first edition of their Spanish dictionary signalled the birth of another future giant; but the speed of its growth is vertiginous...The already rich coverage in the previous edition has been enhanced with 20,000 new entries, which cover
the latest vocabulary across hundreds of topics...Definitions are presented in the most lucid manner.
