Play Dead By Harlan Coben

The worlds of celebrity and sports are brilliantly dissected and turned upside down in #1 *New York Times* bestselling author Harlan Coben's debut thriller.

Theirs was a marriage made in tabloid heaven, but no sooner had supermodel Laura Ayars and Celtics star David Baskin said "I do" than tragedy struck. While honeymooning on Australia's Great Barrier Reef, David went out for a swim—and never returned.

Now widowed and grieving, Laura has a thousand questions and no answers. Her search for the truth will draw her into a web of lies and deception that stretches back thirty years—while on the court at Boston Garden, a rookie phenom makes his spectacular debut...

Editorial Review

From Publishers Weekly
Terrible secrets lead basketball star David Baskin to fake his death while honeymooning in the tropics in this manipulative but otherwise engaging first novel. His bereaved bride, supermodel Laura Ayars, not sure that David's drowning was accidental, starts sleuthing--which proves dangerous when somebody begins killing people who may have the answers she wants. Meanwhile, David, fitted out with a new identity and appearance, tries out for his original team, the Boston Celtics, and "replaces" himself at his former position. Why he has faked his death is explained in the story's penultimate surprise. But why he risks playing in front of fans who know his style is never addressed. Crucial coincidences abound, such as the love affair of David's brother and Laura's sister--adults who, as kids 30 years before, just happen to have witnessed their parents' worst sins. Coben manufactures tension primarily by keeping key details out of his narrative, a method that eventually wears thin. The resolution comes as a relief, with less of a bang than its buildup promises.

From School Library Journal
When Laura Ayers and David Baskin secretly marry, it is a match made in heaven. She is a former model turned entrepreneur, while he is the Boston Celtics basketball sensation. But tragedy strikes on their Australian honeymoon when David never returns from a swim in treacherous waters. As Laura struggles with her grief, events unfold to make her question David's mysterious disappearance. She begins to uncover a conspiracy of past and present that slowly destroys all those involved. Coben weaves a delicate web of intrigue that throws alternating suspicion on each person Laura trusts. A fast-moving thriller with a rapidly twisting plot that keeps readers in suspense until the final page. --Katherine Fitch, Jefferson Sci-Tech, Alexandria, VA

From Library Journal
Despite its fundamental implausibility, this is an engrossing suspense novel. A star pro basketball player, David Baskin, disappears on his honeymoon, and a mutilated, drowned body is assumed to be his. But strange things are happening to his beautiful widow. And a few months later, a total unknown startles the basketball world with a highly professional style of play exactly like Baskin's. The mystery has its origins in a murder 30 years earlier. The reader's suspicions about what actually happened to Baskin, and about the identity of the murderer, shift as layers of lies are stripped away. Despite the basketball, this is primarily great romantic suspense.

Users Review

From reader reviews:

Ronald Brun:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge even the information inside the book in which improve your knowledge and information. The data you get based on what kind of

reserve you read, if you want drive more knowledge just go with schooling books but if you want experience happy read one together with theme for entertaining for example comic or novel. The particular Play Dead is kind of book which is giving the reader unstable experience.

Robert Nobles:

Spent a free time for you to be fun activity to try and do! A lot of people spent their spare time with their family, or their friends. Usually they performing activity like watching television, gonna beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? Could possibly be reading a book might be option to fill your no cost time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to try look for book, may be the publication untitled Play Dead can be great book to read. May be it might be best activity to you.

James Anderson:

That reserve can make you to feel relax. This kind of book Play Dead was bright colored and of course has pictures on the website. As we know that book Play Dead has many kinds or variety. Start from kids until youngsters. For example Naruto or Private eye Conan you can read and think you are the character on there. Therefore not at all of book are generally make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading that.

Steven Evans:

What is your hobby? Have you heard that will question when you got learners? We believe that that query was given by teacher to their students. Many kinds of hobby, Every person has different hobby. So you know that little person like reading or as looking at become their hobby. You should know that reading is very important in addition to book as to be the matter. Book is important thing to provide you knowledge, except your current teacher or lecturer. You get good news or update in relation to something by book. Different categories of books that can you choose to use be your object. One of them are these claims Play Dead.
