Editorial Review

From the Back Cover
Most writers, even very good ones, would probably admit to a lack of knowledge of and confidence regarding grammar. Many can write good sentences; but shouldn't they be able to discuss them, thinking about alternatives? And many can punctuate their sentences; but shouldn't they, too, be able to explain why? The place in the writing process where a knowledge of grammar often makes the biggest difference is in the revision process. This book therefore provides its readers with the tools to have more confidence in their writing, to have the ability to talk about why they made the writing choices they did, and to see the versatility, beauty and vast possibilities of language. Presenting grammar as a rhetorical tool, this book avoids the "do's and don'ts" so long associated with grammar. It reveals to readers the system of grammar they already know subconsciously, encouraging them to use that knowledge to understand their choices as writers. In addition to providing key strategies for revision, the book presents systematic discussions of audience expectation, sentence rhythm and cohesion, subordination and coordination, punctuation, modifiers, diction, and other principles. Writers, teachers, and anyone who writes in general.

Users Review

From reader reviews:

Fern Marshall:

Within other case, little folks like to read book Rhetorical Grammar: Grammatical Choices, Rhetorical Effects (5th Edition). You can choose the best book if you like reading a book. Providing we know about how is important a new book Rhetorical Grammar: Grammatical Choices, Rhetorical Effects (5th Edition).
