Solving Latino Psychosocial and Health Problems: Theory, Practice, and Populations (CourseSmart) By Kurt C. Organista

The most current and relevant best practices for working with diverse groups within Latino culture

It is estimated that in just two generations, the United States will follow Mexico with the second largest Latino population in the world. Optimistic and timely, Solving Latino Psychosocial and Health Problems addresses the social welfare of this important ethnic community. Noted expert Kurt Organista employs a practice-oriented approach to addressing the interwoven psychosocial and health-related concerns that impact this community and offers thoughtful and much-needed solutions.

This important book realistically considers the Latino community's imposing and rapidly growing population size, complex set of challenging issues, and the tremendous diversity between and within each major U.S. Latino group. Section I applies a series of highly relevant frameworks to deepen your understanding of the historical and current cultural and social experiences of diverse Latino populations in the United States, ending with a unique practice model for working with Latinos. Section II provides detailed illustrations of the best and most promising practices for working with various Latino populations.

A must-read for practitioners, students, and policy makers, Solving Latino Psychosocial and Health Problems richly embraces the distinctness of the wide range of Latino ethnic identities in the United States and provides a practical and thought-provoking resource relevant to a broad range of helping professionals.

About the Author
Kurt C. Organista, PHD, is an Associate Professor of Social Welfare at the University of California at Berkeley. A bilingual and bicultural Mexican American born and raised in predominantly Latino East Los Angeles, he brings a sensitive insider's perspective to his scholarly analysis of Latino social welfare. He is a nationally recognized expert in HIV/AIDS prevention with Mexican/Latino migrant laborers and serves on the National Office of AIDS Research Advisory Council.

Users Review

From reader reviews:

Tod Espitia:

What do you think about book? It is just for students since they're still students or that for all people in the world, the actual best subject for that? Merely you can be answered for that issue above. Every person has distinct personality and hobby per other. Don't to be obligated someone or something that they don't wish do that. You must know how great in addition to important the book Solving Latino Psychosocial and Health Problems: Theory, Practice, and Populations (CourseSmart). All type of book can you see on many resources. You can look for the internet resources or other social media.

Bobby Blade:
