Editorial Review

From Booklist
After ignoring his betrothed for more than a decade, Lord Blake Sherwell has finally been coerced by the English king into claiming his bride, the hoydenish Seonaid Dunbar. He reluctantly arrives at her father's Scottish keep only to discover his intended is equally averse to the match and has fled to a convent. Scotland in 1395 is no place for a woman alone, so he grimly sets out to retrieve his errant wife to be, and the rollicking adventure begins. This matched set of warriors--Seonaid has trained since infancy with her father and brother and indeed has her own specially wrought sword--entertains her father's men as well as Sherwell's entourage with their antics, for now Sherwell's interest has been piqued, and he takes up the chase in earnest. Well-placed humor, vividly descriptive passages, and a believable romance between two stubborn but honorable protagonists, together with the added interest generated by the escapades of a host of secondary characters, make Sands' historical romance appealing on many levels. *Lynne Welch*

Fleeing to an abbey isn’t reallySeonaid Dunbar’s first choice. She’d been trained alongside her brother as a Scottish warrior at her father’s knee. But runningwas preferable to wedding Blake Sherwell, a man the English court calls “the Angel.” Seonaid knows there are no English angels,only English devils—and more than one way to elude a devilish suitor, even if King Henry himself has ordered her to marry him.

Blake believed the next countess of Sherwellwould be sitting at home—embroideringperhaps—as she eagerly awaited his arrival.Instead, she is hiding behind the wallsof a new stronghold and readying herdefenses. To win this battle of wills,Blake will need every weapon at his disposal:swords, sleeping drafts, claymores,sweet words, and passionate kisses. But he has to catch her first . . .
