2 Year Lesson Plans (ABC Jesus Loves Me Preschool Curriculum) By Heidi Franz

Simplicity is the key to the ABC Jesus Loves Me Bible-based preschool curriculum. The 2 Year Old Lesson Plans are basic enough for the most energetic child, but allows for supplemental material to be added for the child who desires more sit-down activities. The learning is incorporated into the child's day instead of controlling his or her day.

The 36-week Lesson Plans focus on themes partnered with Bible stories, memory verses, songs, and poems, nursery rhymes or fingerplays. Academically, the 2-year-old child is introduced, through play, to colors, shapes, counting to 10, and saying letters. The child is also taught self-care and manners along with personal information. A "Book of the Week" introduces the child to noteable books. Fine and gross motor skill activities provide play and fun movement.

Suggested activities are provided in the Lesson Plans to help teach the Biblical and academic concepts. These ideas also include links to free printables, games, crafts, cooking activities, and much more. Use all of the ideas or pick and choose whichever objectives are appropriate to your situation. Visit ABCJesusLovesMe to view the entire curriculum and purchase coordinating workbooks. (Daily Schedules and worksheets are not included in this purchase.)

The ABCJLM Curriculum and the ABCJesusLovesMe website are free for the teaching of children in an immediate family, home setting only under the JLM Media, LLC Terms of Use. Use of any idea or printable on the website and/or the curriculum with any child not in your individual family whether in a daycare, childcare, preschool, church or other setting requires the purchase of a License first.
