A Reverence for Wood By Eric Sloane

This refreshing and delightfully written book underscores the important role that wood has played in the development of American life and culture. Charmingly illustrated with author Eric Sloane's own sketches, the text illuminates with rare insight the enormously varied and useful qualities of wood.
Covering such topics as the aesthetics of wood, wooden implements, and carpentry, Sloane remarks expansively and with affection on the resourcefulness of early Americans in their use of this precious commodity. From cradle to coffin, the pioneer was surrounded by wood. It was used to make tools, fence the land, and build barns. People sat at wooden tables on wooden chairs and ate from wooden dishes. Charcoal, one of the many by-products of wood, was used to preserve meat, remove offensive odors, and produce ink. The bark of various trees was processed to make medicine.
An entertaining, factual, and historically accurate book, *A Reverence for Wood* will delight woodcrafters and lovers of Americana. It is "one of Eric Sloane's best books." — *Library Journal*

Editorial Review

From the Inside Flap
The special knowledge of which wood is suited to which task, the ready identification of native trees, the reverence for wood, the instinctive knowledge that wood can warm the soul as well as the body -- these virtues of a bygone age are revived in Eric Sloane's remarkable work. Heavily illustrated, with a section on identification of nearly sixty native trees, A REVERENCE FOR WOOD provides an illuminating view of the resource that made possible so much of the early settlement of North America.

About the Author

The books of Eric Sloane celebrate the time-honored traditions of early America and remind us of the ties that forever bind us to them. A prolific artist, Sloane created nearly 15,000 paintings and drawings over his lifetime, many of which enhance his delightful books of bygone days.

Users Review

From reader reviews:

Eleonora Plunkett:

In this 21st centuries, people become competitive in each way. By being competitive currently, people have do something to make these survives, being in the middle of the actual crowded place and notice by means of surrounding.
