Another Roadside Attraction By Tom Robbins

What if the Second Coming didn't quite come off as advertised? What if "the Corpse" on display in that funky roadside zoo is really who they say it is—what does that portend for the future f western civilization? And what if a young clairvoyant named Amanda reestablishes the flea circus as popular entertainment and fertility worship as the principal religious form of our high-tech age? **Another Roadside Attraction** answers those questions and a lot more. It tell us, for example, what the sixties were truly all about, not by reporting on the psychedelic decade but by recreating it, from the inside out. In the process, this stunningly original seriocomic thriller is fully capable of simultaneously eating a literary hot dog and eroding the borders of the mind.

From the Trade Paperback edition.

Editorial Review

Amazon.com Review
It's clear that when Robbins sits down to write, he has one thing on his mind: having himself some fun. I read **Another Roadside Attraction,** years ago, then immediately went back to the beginning of the book and read it again. Robbins holds nothing back in this, his first novel. It's a perfect introduction to the Robbins oeuvre of oddness.

Review
"Written with a style and humor that haven't been seen since Mark Twain . . . it is a prize."--*Los Angeles Times*

“Hard to put down because of the sheer brilliance and fun of the writing. The sentiments of Brautigan and the joyously compassionate omniscience of Fielding dance through the pages garbed colorfully in the language of Joyce.”*—Rolling Stone*

From the Trade Paperback edition.
