Chop, Chop (Chop, Chop Series Book 1) By L.N. Cronk

Contemporary Christian Fiction.

It seems to David that both Greg and Laci are a bit . . . out there. Between each of them constantly chopping off their hair for charity and Greg's clandestine hand signals, neither of them seem likely to develop friendships with reserved young David. Despite their differences, however, all three grow closer to each other and - as they do - David grows closer to God as well. Nearing adulthood, David finds himself content in every way . . . but when tragedy strikes, David must struggle to find his way back to God.

Best-selling and top-rated, Chop, Chop was the winner of an Honorable Mention at the Blue Ridge Mountains Christian Writers Conference.

Editorial Review

Review
"I loved this book. I will say it again. I loved this book. I was moved to tears more than once . . . It is not often that I find a Christian book that has so much depth. This book deals with love, faith, death, forgiveness, and the pains of going from childhood to adulthood." - Tiffany A. Harkleroad - Tiffany's Bookshelf

"*Chop, Chop* is a gem! Cronk weaves strands of humor, realism and heart-wrenching emotion into David's story so well that I read the book in one sitting. Readers will be touched again and again as they read about David and his friends. What amazing characters. Highly recommended." - Jill Williamson BlogSpot

"The writing is extremely easy to follow and read. It at first seems to be just a casual read, but by the end of the book, you find that the characters have become your family." - Kristin Schmitt, *The Maine Stream*

"It took no time at all for David to win my heart. I especially like David because his personality was like that of an old man in a little body. He wasn't particularly charismatic or fun, and that made him still charming all the same. Of course, the begining of the novel leads to the understanding that something awful happened in David's life, so you might read this novel feeling a little tense, waiting for the hammer to fall. And it does fall. There are tears, but there is also so much laughter, and when the novel ends, so much hope." *-RemainInHisLove.com*
