Goodbye, Darkness: A Memoir of the Pacific War By William Manchester

The nightmares began for William Manchester 23 years after WW II. In his dreams he lived with the recurring image of a battle-weary youth (himself), "angrily demanding to know what had happened to the three decades since he had laid down his arms." To find out, Manchester visited those places in the Pacific where as a young Marine he fought the Japanese, and in this book examines his experiences in the line with his fellow soldiers (his "brothers"). He gives us an honest and unabashedly emotional account of his part in the war in the Pacific. "The most moving memoir of combat on WW II that I have ever read. A testimony to the fortitude of man...a gripping, haunting, book." --William L. Shirer

Editorial Review

Review
Narrator Barrett Whitener...knows how to keep the writer in the limelight, letting the fun come from Manchester's style and content. Whitener's quiet manner sometimes morphs to a whisper in a delivery perfect for a warrior's memories. Although this is an entertaining memoir, it also serves as an excellent history of the Pacific Campaign. --AudioFile

Belongs with the best war memoirs ever written. --Los Angeles Times

When Manchester speaks of the awesome heroism and hideous suffering of the Marines he lived with and fought with, he is reverent before the mystery of individual courage and gallantry.--Baltimore Sun

Gripping…. It is impossible for an American to read this book without pride in what his country accomplished in those days of enormous challenge.--Christian Science Monitor --.
