The Oxford Handbook of Project Management (Oxford Handbooks) By Peter W. G. Morris, Jeffrey K. Pinto, Jonas Soderlund

The Oxford Handbook of Project Management presents and discusses leading ideas in the management of projects. Positioning project management as a domain much broader and more strategic than simply 'execution management', this Handbook draws on the insights of over 40 scholars to chart the development of the subject over the last 50 years or more as an area of increasing practical and academic interest. It suggests we could be entering an emerging 'third wave' of analysis and interpretation following its early technical and operational beginnings and the subsequent shift to a focus on projects and their management.

Topics dealt with include: the historical evolution of the subject; its theoretical base; professionalism; business and societal context; strategy; organization; governance; innovation; overruns; risk; information management; procurement; relationships and trust; knowledge management; practice and teams. This handbook is of particular relevance to those interested in the research issues underlying project management.

Editorial Review

About the Author

Peter W.G. Morris is Professor and Head of the School of Construction and Project Management at University College London (UCL). He is the author of over 110 papers and several books on the management of projects. A previous Chairman of the Association for Project Management, he was awarded the Project Management Institute's 2005 Research Achievement Award, IPMA's 2009 Research Award, and APM's 2008 Sir Monty Finniston Life-Time Achievement Award.

Jeffrey K. Pinto holds the Andrew Morrow and Elizabeth Lee Black Chair in the Management of Technology at Penn State University. He is the author or editor of 23 books and over 120 scientific papers. Dr. Pinto is a two-time recipient of the Distinguished Contribution Award from the Project Management Institute (1997, 2001) for outstanding service to the project management profession. He received PMI's Research Achievement Award in 2009.

Jonas Soderlund is Professor at BI Norwegian School of Management and responsible for its executive education within the area of project management. He is a founding member of the KITE Research Group (Knowledge Integration and Innovation in Transnational Enterprise) based at Linkoping University. He has researched and published widely on the management and organization of projects and project-based firms and the evolution of project competence.

Users Review

From reader reviews:

Ronald Finch:

Precisely why? Because this The Oxford Handbook of Project Management (Oxford Handbooks) is an unordinary book that the inside of the book waiting for you to snap it but latter it will shock you with the secret the item inside. Reading this book next to it was fantastic author who also write the book in such amazing way makes the content inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of benefits than the other book possess such as help improving your expertise and your critical thinking approach. So , still want to hold up having that book? If I ended up you I will go to the book store hurriedly.

Bonnie Mentzer:

Reading can called head hangout, why? Because when you find yourself reading a book specially book entitled The Oxford Handbook of Project Management (Oxford Handbooks) your mind will drift away trough every dimension, wandering in each aspect that maybe unfamiliar for but surely will become your mind friends. Imaging every single word written in a e-book then become one form conclusion and

explanation that maybe you never get just before. The The Oxford Handbook of Project Management (Oxford Handbooks) giving you one more experience more than blown away your thoughts but also giving you useful info for your better life with this era. So now let us explain to you the relaxing pattern here is your body and mind is going to be pleased when you are finished reading through it, like winning a game. Do you want to try this extraordinary shelling out spare time activity?

Alice Billups:

Many people spending their time frame by playing outside having friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by studying a book. Ugh, think reading a book really can hard because you have to use the book everywhere? It fine you can have the e-book, taking everywhere you want in your Smart phone. Like The Oxford Handbook of Project Management (Oxford Handbooks) which is having the e-book version. So , try out this book? Let's find.

Ethel Orr:

What is your hobby? Have you heard in which question when you got learners? We believe that that issue was given by teacher on their students. Many kinds of hobby, All people has different hobby. So you know that little person like reading or as reading become their hobby. You need to understand that reading is very important as well as book as to be the point. Book is important thing to include you knowledge, except your current teacher or lecturer. You will find good news or update in relation to something by book. Many kinds of books that can you decide to try be your object. One of them is niagra The Oxford Handbook of Project Management (Oxford Handbooks).
