The Politics of Congressional Elections By Gary C. Jacobson

MySearchLab provides students with a complete understanding of the research process so they can complete research projects confidently and efficiently. Students and instructors with an internet connection can visit www.MySearchLab.com and receive immediate access to thousands of full articles from the EBSCO ContentSelect database. In addition, MySearchLab offers extensive content on the research process itself—including tips on how to navigate and maximize time in the campus library, a step-by-step guide on writing a research paper, and instructions on how to finish an academic assignment with endnotes and bibliography.

Brought completely up-to-date with the latest data from the National Election Study and the Federal Election Commission, and including coverage and analysis of the dramatic 2006 midterm elections, this seminal work continues to offer a systematic account of what goes on in congressional elections and demonstrates how electoral politics reflect and shape other components of the political system, with profound consequences for representative government.

Editorial Review

From the Back Cover
Jacobson, Gary C., The Politics of Congressional Elections, 5th Edition* Jacobson's classic work offers readers a systematic and engaging account of what goes on in congressional elections and demonstrates how electoral politics reflect and shape other basic components of our political system. The Fifth Edition brings everything up to date through the 1998 elections, analyzing new electoral trends that have appeared in the 1990s-including the Republicans' rise to majority status and their current precarious hold on Congress-while also offering a thorough consideration of impeachment politics in 1998 and 1999. For those interested in Political Campaigning and voting and elections.

About the Author

Gary Jacobson is a Professor of Political Science at the University of California at San Diego. His 1980 book, *Money in Congressional Elections*, won multiple awards. Since its publication, Jacobson has published numerous books and papers about American politics, Congress, campaign financing, and partisan polarization, including the recent *A Divider Not a Uniter: George W. Bush and the American People*. He has served on many advisory boards, including the NSF Political Science Advisory Panel, and he holds a Ph.D. in Political Science from Yale University.

Users Review

From reader reviews:

Randy Anderson:

What do you regarding book? It is not important together with you? Or just adding material when you require something to explain what yours problem? How about your time? Or are you busy individual?
