The Practices of Global Citizenship By Hans Schattle

What is global citizenship, exactly? Are we all global citizens? In *The Practices of Global Citizenship*, Hans Schattle provides a striking account of how global citizenship is taking on much greater significance in everyday life. This lively book includes many fascinating conversations with global citizens all around the world. Their personal stories and reflections illustrate how global citizenship relates to important concepts such as awareness, responsibility, participation, cross-cultural empathy, international mobility, and achievement. Now more than ever, global citizenship is being put into practice by schools, universities, corporations, community organizations, and government institutions. This book is a must-read for everyone who participates in global events—all of us.

Editorial Review

Review
A genuinely insightful and compelling study of the idea and practice of global citizenship. It should be required reading for skeptics and advocates alike. Through its rich and powerful analysis it has much to say about the significance of and limits to 'really existing' global citizenship. (Anthony McGrew, Southampton University)

[A] pathbreaking, challenging, and exciting study. [Schattle's] book is a must, not only for academic political theorists and social scientists, but for the wider policy community. (David Marquand, Oxford University)

This book offers an insightful look at a broad spectrum of today's global citizens who explain in their own terms what compels them to push their identities and actions beyond national boundaries. (Lance Bennett, University of Washington)

About the Author
Hans Schattle is associate professor of political science at Yonsei University, Seoul, Korea.

Users Review

From reader reviews:

Steven Maravilla:

A lot of people always spent their free time to vacation as well as go to the outside with them family or their friend. Are you aware? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. In order to try to find a new activity honestly, that is look different you can read a new book. It is really fun for you. If you enjoy the book that you read you can spent all day long to reading a e-book. The book The Practices of Global Citizenship it is rather good to read.
