Board Stiff: Preparation for Anesthesia Orals: Expert Consult - Online and Print, 3e By Christopher Gallagher MD

Think the anesthesia oral boards are no laughing matter? Then you haven't read Board Stiff Three. The new edition of this popular anesthesia review book is written in the same winning style that was the hallmark of Board Stiff Too. Dr. Gallagher's signature humor and engaging writing style make this terrific prep book a fun read while still delivering all the most important things you need to know for the boards. In addition to a thorough content review, the new edition also features an extensive section with self-assessment questions. It also includes a bonus DVD with simulated board scenarios that will further help you prepare for the boards.

- Provides the ideal study guide for the anesthesia oral board exams.
- Incorporates a unique and humorous approach to make braving the oral exams as enjoyable as possible.
- Uses the same format as the real exams: clinical scenes are presented, followed by preoperative, intraoperative, and postoperative questions.
- Includes a bonus DVD with simulated board scenarios.

Editorial Review

Review
"... [an] informative, no nonsense book...filled with useful, practical information on how to prepare effectively for oral exams... As a former examinee, I could have used such a book. As a current Royal College examiner, I can say that this book is true to the spirit in which oral exams are performed."?Canadian Journal of Anesthesia, review of previous edition
