I Ching Acupuncture is a great read for acupuncture practitioners with an understanding of the theories and philosophies that are used in the art of TCM. -- Journal of the Acupuncture Association of Chartered Physiotherapists I am most delighted to welcome David Twicken's new book I Ching Acupuncture - The Balance Method. This book lays a solid foundation for understanding the background theories of acupuncture. The simplicity and clarity of presenting a profound subject is truly fantastic -- Joseph Yu, founder of Feng Shui Research Center, Toronto, Canada I have followed David Twicken's work since 1998. He has authority of lineage and direct knowledge, which brings clarity and accuracy. This work is mature and it is my number one recommendation when learners ask me what resources there are for I Ching theory as it pertains to acupuncture. -- William R.
