Latin America: Its Problems and Its Promise: A Multidisciplinary Introduction By Jan Knippers Black

Now in a fifth edition, ***Latin America*** has been updated to reflect the region's growing optimism as economies stabilize, trade diversifies, and political systems become more participatory. This multidisciplinary survey of Latin American history, politics, and society features invited contributions from authorities in a variety of fields. New sections address current events including deforestation in Costa Rica and Brazil, emerging social movements, Ecuador's new constitution, and Obama's stated objectives to repair U.S. relations with the region. In addition, key topics—such as women and Latin American politics, socialist governments and anti-American sentiment, Argentina's deteriorating economy, and Colombia's struggle with military and narcotics issues—receive expanded and revitalized treatment. Other updated material covers outcomes of recent elections in Bolivia, Brazil, and Nicaragua, among others. Through a hybrid thematic and regional organization, this text provides an essential foundation for introductory courses on Latin America.

Editorial Review

Review

Praise for Previous Editions

“Jan Knippers Black's revised fourth edition updates this reader to include modern issues ranging from the traumatic impact of drugs to debt, threats to distinctive ecological zones, new populist political parties and social movements and their attendant social and economic crisis, and more. This book continues to be a popular reader for classroom use.”
—***Colonial Latin American Historical Review***

"Prof. Jan Knippers Black's updated textbook is the ideal resource for any interdisciplinary survey of Latin America. It's new chapters are especially welcome in the sense that the more current trends in interdisciplinary research on Latin America are brought to the reader's attention clearly and forcefully. The regional comprehensiveness of the book is preserved in the current edition, and its thoughtful division between content areas and country case studies successfully addresses competing visions of how the region should be studied, and its organizational structure provides excellent material for debating and critiquing the pedagogies of Latin American Studies."
—**James D. Huck, Tulane University's Stone Center for Latin American Studies**

From the Back Cover
Highlights of the second edition of this well-regarded text include discussions of a decade of conflict in Central America, the tenuous trend to redemocratization in South America, and the traumatic impact of drugs and debt throughout the hemisphere.

About the Author

Jan Knippers Black is professor of international policy studies at the Monterey Institute of International Studies in California, a Graduate School of Middlebury College. She has authored or edited numerous books, including *Development in Theory and Practice: Paradigms and Paradoxes,* Second Edition (Westview Press).

Users Review

From reader reviews:

Anna Wright:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each publication has different aim or goal; it means that reserve has different type. Some people sense enjoy to spend their the perfect time to read a book. They may be reading whatever they acquire because their hobby is actually reading a book. Think about the person who don't like reading a book? Sometime, man feel need book after they found difficult problem or maybe exercise. Well, probably you will want this Latin America: Its Problems and Its Promise: A Multidisciplinary Introduction.

Susan Belcher:

What do you think about book? It is just for students since they're still students or it for all people in the world, the actual best subject for that? Just simply you can be answered for that question above. Every person has diverse personality and hobby per other. Don't to be compelled someone or something that they don't wish do that. You must know how great along with important the book Latin America: Its Problems and Its Promise: A Multidisciplinary Introduction. All type of book would you see on many methods. You can look for the internet resources or other social media.

Debra Weeks:

Is it a person who having spare time and then spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Latin America: Its Problems and Its Promise: A Multidisciplinary Introduction can be the solution, oh how comes? It's a book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?

Alice Ressler:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Latin America: Its Problems and Its Promise: A Multidisciplinary Introduction can make you truly feel more interested to read.
