The Killer Inside Me By Jim Thompson

Everyone in the small town of Central City, Texas loves Lou Ford. A deputy sheriff, Lou's known to the small-time criminals, the real-estate entrepreneurs, and all of his coworkers--the low-lifes, the big-timers, and everyone in-between--as the nicest guy around. He may not be the brightest or the most interesting man in town, but nevertheless, he's the kind of officer you're happy to have keeping your streets safe. The sort of man you might even wish your daughter would end up with someday.

But behind the platitudes and glad-handing lurks a monster the likes of which few have seen. An urge that has already claimed multiple lives, and cost Lou his brother Mike, a self-sacrificing construction worker fell to his death on the job in what was anything but an accident. A murder that Lou is determined to avenge--and if innocent people have to die in the process, well, that's perfectly all right with him.

In THE KILLER INSIDE ME, Thompson goes where few novelists have dared to go, giving us a pitch-black glimpse into the mind of the American Serial Killer years before Charles Manson, John Wayne Gacy, and Brett Easton Ellis's *American Psycho*, in the novel that will forever be known as *the* master performance of one of the greatest crime novelists of all time.

Editorial Review

Review
MAGAZINESFront Review (and mention of rest of series) INTERNETShots ReviewTan

From the Inside Flap
Lou Ford is the deputy sheriff of a small town in Texas. The worst thing most people can say against him is that he's a little slow and a little boring. But, then, most people don't know about *the sickness*--the sickness that almost got Lou put away when he was younger. The sickness that is about to surface again.

An underground classic since its publication in 1952, **The Killer Inside Me** is the book that made Jim Thompson's name synonymous with the *roman noir*.

From the Back Cover
"Probably the most chilling and believable first-person story of a criminally warped mind I have ever encountered." --Stanley Kubrick

"Jim Thompson is the best suspense writer going, bar none." --**The New York Times**

Users Review

From reader reviews:

Geraldine Bagley:

Reading a guide can be one of a lot of activity that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people fantastic. First reading a e-book will give you a lot of new information. When you read a guide you will get new information mainly because book is one of various ways to share the information or even their idea. Second, looking at a book will make you actually more imaginative. When you studying a book especially fiction book the author will bring you to imagine the story how the figures do it anything. Third, it is possible to share your knowledge to some others. When you read this The Killer Inside Me, it is possible to tells your family, friends and soon about yours book. Your knowledge can inspire the others, make them reading a reserve.

Michael Beebe:

Reading a publication tends to be new life style in this particular era globalization. With reading through you can get a lot of information that can give you benefit in your life. Having book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their particular reader with their story or even their experience. Not only the storyline that share in the guides. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some research before they write on their book. One of them is this The Killer Inside Me.

Anne Shivers:

This The Killer Inside Me is great book for you because the content that is certainly full of information for you who always deal with world and get to make decision every minute. This book reveal it info accurately using great coordinate word or we can point out no rambling sentences inside it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but hard core information with splendid delivering sentences. Having The Killer Inside Me in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world in ten or fifteen small right but this reserve already do that. So , it is good reading book. Hey Mr. and Mrs. active do you still doubt this?

Michael Clark:

As we know that book is very important thing to add our know-how for everything. By a guide we can know everything we wish. A book is a pair of written, printed, illustrated or blank sheet. Every year has been exactly added. This guide The Killer Inside Me was filled in relation to science. Spend your time to add your knowledge about your research competence. Some people has distinct feel when they reading a book. If you know how big benefit from a book, you can feel enjoy to read a publication. In the modern era like currently, many ways to get book which you wanted.
