Way of the Turtle: The Secret Methods that Turned Ordinary People into Legendary Traders (Business Books) By Curtis Faith

“We're going to raise traders just like they raise turtles in Singapore.”

So trading guru Richard Dennis reportedly said to his long-time friend William Eckhardt nearly 25 years ago. What started as a bet about whether great traders were born or made became a legendary trading experiment that, until now, has never been told in its entirety.

Way of the Turtle reveals, for the first time, the reasons for the success of the secretive trading system used by the group known as the “Turtles.” Top-earning Turtle Curtis Faith lays bare the entire experiment, explaining how it was possible for Dennis and Eckhardt to recruit 23 ordinary people from all walks of life and train them to be extraordinary traders in just two weeks.

Only nineteen years old at the time-the youngest Turtle by far-Faith traded the largest account, making more than $30 million in just over four years. He takes you behind the scenes of the Turtle selection process and behind closed doors where the Turtles learned the lucrative trading strategies that enabled them to earn an average return of over 80 percent per year and profits of more than $100 million. You'll discover

- How the Turtles made money-the principles that guided their trading and the step-by-step methods they followed
- Why, even though they used the same approach, some Turtles were more successful than others
- How to look beyond the rules as the Turtles implemented them to find core strategies that work for any tradable market
- How to apply the Turtle Way to your own trades-and in your own life
- Ways to diversify your trading and limit your exposure to risk

Offering his unique perspective on the experience, Faith explains why the Turtle Way works in modern markets, and shares hard-earned wisdom on taking risks, choosing your own path, and learning from your mistakes.

Editorial Review

From the Back Cover

After nearly 25 years, the turtles come out of their shells.

Way of the Turtle takes a never-before-seen look at the legendary Turtle Traders and the famous experiment that made them millions. Curtis Faith, the most successful member of this elite group, breaks the silence to reveal the rules, timing, risks, rewards, and secrets to his biggest trades and 100 percent annual returns. Sharing behind-the-scenes insights and step-by-step techniques, Faith shows how you can use the Turtle Way to achieve enormous profits-whatever your skill level.

“The most successful turtle was apparently Curtis Faith. Trading records show that Mr. Faith, who was only 19 when he started the program, made about $31.5 million in profits for Mr. Dennis.”-Stanley W. Angrist, *The Wall Street Journal*

About the Author

Curtis M. Faith was the most successful of the Turtles, earning more than $30 million for Richard Dennis while trading as a Turtle. He is one of the industry's leading pioneers of mechanical trading systems and software. Faith is currently head of research and development for Trading Blox, LLC, a company that specializes in software for trading system analysis and development. He also runs an Internet forum for mechanical system traders at tradingblox.com/forum.

Users Review
