Winning Chess Brilliancies (Winning Chess - Everyman Chess) By Yasser Seirawan

This book by International Grand Master Yasser Seirawan provides a move-by-move account of the best chess games of the last 25 years, played by the world's foremost chess competitors. With an authoritative voice that is by turns poetic and analytical, Seirawan serves as host of a fascinating excursion of the most brilliant chess game, providing highlights into and explanations of each and every move.

Seirawan begins each game with a description of the historical atmosphere of the chess world --and sometimes the world at large--at the time the game was played. When he delves into the game itself, he starts with the reasoning behind the opening moves. From there he provides both a play-by-play description of the game and an analytical commentary, all the while examining the moves in terms of place development and possible tactical and strategic opportunities. Along the way, a handful of the players are profiled in biographies.

In *Winning Chess Brilliancies* readers will get a taste of the most dazzling chess combinations devious strategies, and downright cruel blows as world champions risk it all! This book is truly a celebration of the sport of chess.

Editorial Review

Amazon.com Review
Seirawan does more than present 12 of the most brilliant grandmaster games of the past 25 years. His lively move-by-move analysis delves into the minds of many of chess's greatest players, explaining the reasoning (or errors) behind each. Readers with a grasp of chess basics, tactics, and strategies (covered in the first three books of Seirawan's four-book series) will come away with an appreciation of the subtleties of grandmaster play and the inspiration to stretch their skills and understanding to higher levels. Have another chess player nearby when you read it--you'll want to play afterwards.

From the Back Cover

This book by International Grand Master Yasser Seirawan provides a move-by-move account of the best chess games of the last 25 years, played by the world's foremost chess competitors. With an authoritative voice that is by turns poetic and analytical, Seirawan serves as host of a fascinating excursion of the most brilliant chess games, providing insights into and explanations of each and every move.
Seirawan begins each game with a description of the historical atmosphere of the chess world - and sometimes the world at large - at the time the game was played. When he delves into the game itself, he starts with the reasoning behind the opening moves. From there he provides both a play-by-play description of the game and an analytical commentary, all the while examining the moves in terms of piece development and possible tactical and strategic opportunities. Along the way, a handful of the players are profiled in biographies.
In Winning Chess Brilliancies you'll get a taste of the most dazzling chess combinations devious strategies, and downright cruel blows as world champions risk it all! This book is truly a celebration of the sport of chess.

About the Author

Yasser Seirawan is the highest-rated American chess professional on the Federation Internationale des Echecs (FIDE) rating ladder and the first American to vie for the World Championship title since Bobby Fischer. He is a three-time U.S Champion, the 1989 Western Hemisphere Champion and an eight-time member of the U.S chess Olympiad team. Currently one of the worlds top-ranked chess players, he is one of only a handful of players to have defeated world champions Garry Kasparov and Anatoly Karpov in tournament play.
