Crisis By Robin Cook

The inventor of the medical thriller shows the profession's dark side: the terrifying story of a doctor who is sucked into the maelstrom of the current medical malpractice crisis.

When Boston-based Dr. Craig Bowman is served with a summons for medical negligence, he's shocked, enraged, and more than a little humiliated. A devoted physician who has endured grueling years of training and worked continuously in the service of others, he is now a partner in an exclusive concierge medical practice. No longer forced to see more and more patients while spending less and less time with each one just to keep his office door open, he provides the kind of medical care he has been prepared to do, lavishing twenty-four-hour availability and personalized attention on his handpicked patients. And at last he is earning a significant income, no longer facing decreased reimbursements from insurance companies. But this idyllic situation comes to a grinding halt one sunny afternoon—and things get much, much worse.

Enter Dr. Jack Stapleton, a medical examiner in New York City and Bowman's brother-in-law: Jack's sister Alexis—now Bowman's estranged wife—begs for his help as her husband's trial drags on. Jack agrees to travel to Boston to offer his forensic services and expert-witness experience to Craig's beleaguered defense attorney. But when Jack's irreverent suggestion to exhume the corpse and thereby disprove the alleged malpractice is taken seriously, he opens a Pandora's box of trouble. As Craig's life and career are put on the line, Jack is on the verge of making a most unwelcome discovery, of tremendous legal and medical significance—and there are people who will do anything to keep him from learning the truth.

Users Review

From reader reviews:

Hilda Szymanski:

Here thing why that Crisis are different and dependable to be yours. First of all examining a book is good nonetheless it depends in the content of computer which is the content is as delicious as food or not. Crisis giving you information deeper since different ways, you can find any publication out there but there is no e-book that similar with Crisis. It gives you thrill reading journey, its open up your own eyes about the thing that will happened in the world which is probably can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your approach home by train. In case you are having difficulties in bringing the printed book maybe the form of Crisis in e-book can be your choice.

Michael Banks:

The particular book Crisis has a lot details on it. So when you make sure to read this book you can get a lot of gain. The book was written by the very famous author. This articles author makes some research before write this book. This particular book very easy to read you can find the point easily after looking over this book.

Rhonda Silva:

In this period globalization it is important to someone to acquire information. The information will make you to definitely understand the condition of the world. The health of the world makes the information quicker to share. You can find a lot of references to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The particular book that recommended to you is Crisis this book consist a lot of the information from the condition of this world now. This particular book was represented how can the world has grown up. The language styles that writer use for explain it is easy to understand. The actual writer made some analysis when he makes this book. Honestly, that is why this book acceptable all of you.

Christopher Arnold:

Many people spending their time frame by playing outside along with friends, fun activity together with family or just watching TV all day long. You can have new activity to shell out your whole day by examining a book. Ugh, you think reading a book can actually hard because you have to use the book everywhere? It fine you can have the e-book, taking everywhere you want in your Mobile phone. Like Crisis which is having the e-book version. So , why not try out this book? Let's see.
