Lord John and the Hand of Devils: A Novel (Lord John Grey Book 3) By Diana Gabaldon

Diana Gabaldon, the *New York Times* bestselling author of **Lord John and the Brotherhood of the Blade** and the wildly popular Outlander novels, delivers three tales of war, intrigue, and espionage that feature one of her most popular characters: Lord John Grey. In the heart of the eighteenth century, here are haunted soldiers . . . lusty princesses . . . ghostly apparitions . . . dark family secrets. And here Lord John will face enemies who come in the guise of friends, memories in the shape of a fiery-haired Scot named James Fraser, and allies who have the power to destroy him with a single blow. . . .

In **Lord John and the Hellfire Club**, Lord John glimpses a stranger in the doorway of a gentlemen's club—and is stirred by a desperate entreaty to meet in private. The rendezvous forestalled by a sudden murder, Lord John will wade into a maze of political treachery and a dangerous, debauched underground society. . . . In **Lord John and the Succubus**, English soldiers fighting in Prussia are rattled by the nocturnal visitations of a deadly woman who sucks life and soul from a man. Called to investigate the night-hag, Lord John finds a murdered soldier and a treacherous Gypsy, and comes to the stark realization that among the spirits that haunt men, none frighten more than the specters conjured by the heart. . . . In **Lord John and the Haunted Soldier**, Lord John is thrust into the deadly case of an exploding battlefield cannon. Wounded in the same battle, Lord John is called to tesify and soon confronts his own ghost—and the shattering prospect that a traitor is among the ranks of His Majesty's armed forces.

Capturing the lonely, tormented, and courageous career of a man who fights for his crown, his honor, and his own secrets, Diana Gabaldon delivers breathtaking human drama. And in tales seething with desire, madness, and political intrigue, Gabaldon once again proves that she can bring history to life in a way few novelists ever have.

Editorial Review

From Publishers Weekly
The indefatigable Gabaldon, who has made the British 18th century her own, offers a trio of novellas about Lord John Grey, whose minor role in the Outlander novels (concerning Jacobite Jamie Fraser and including *A Breath of Snow and Ashes*) has become a major fictional spinoff (*Lord John and the Brotherhood of the Blade*, etc.). The three mystery-adventure novellas of this volume span 1756 to 1758, in settings packed with dark secrets—and therefore dangers—for the soldier-hero with secrets of his own. The first novella finds Lord John swearing vengeance in London for a murdered government official, leading him to a deconsecrated abbey where members of the political elite indulge their basest desires. The second pits Lord John against a succubus that plagues his Prussian encampment, and combines humor with military strategy and supernatural myth. The third, most complex narrative finds Lord John investigating the cause of a cannon explosion in the English countryside that results in a fellow officer's death. Gabaldon brings an effusive joy to her fiction that proves infectious even for readers unfamiliar with her work or the period. A foreword and introductory notes add background on the book's evolution. *(Nov.)*

Review
“Gabaldon’s strengths are on full display.... Deftly written, pleasantly concise stories about the ghosts of desire, each with its own discrete merits.”*—Kirkus Reviews*

“A captivating collection.... featuring richly detailed historical settings, splendidly nuanced characters, and expertly crafted plots.”*—Booklist*

“[Lord John displays] characteristic elan, intelligence, and fortitude…. You may find yourself relishing the dishes of gooseberry trifle, the cozy afternoons at the Beefsteak Appreciation Society, and the companionship of this urbane 18th century blade.”*–Entertainment Weekly*

From the Hardcover edition.
