Editorial Review

Amazon.com Review
Jay Berry Lee is happy until the summer he is 14 years old and discovers monkeys living in the creek bottoms near his parents' homestead. Set in the late 1800s, *Summer of the Monkeys* traces the boy's adventures as he attempts to capture 29 monkeys that have (it turns out) escaped from the circus. With somewhat dubious help from his grandfather, and over the objections of his mother, Jay goes about discovering that monkeys are much smarter and harder to catch than he thought possible. Woven into this story is a second theme about his physically disabled sister and the family's attempts to find money for an operation. As funny and touching as Wilson Rawls's *Where the Red Fern Grows*, this book will appeal to the young reader who has always wished for the freedom to run wild through the woods with nothing more pressing to do than find another rabbit hole--or escaped monkey. (Ages 12 and older) --*Richard Farr*

Users Review

From reader reviews:

Frances Oberlin:

What do you concentrate on book? It is just for students because they're still students or that for all people in the world, the particular best subject for that? Only you can be answered for that question above. Every person has several personality and hobby for each other. Don't to be pushed someone or something that they don't desire do that. You must know how great in addition to important the book Summer of the Monkeys. All type of book are you able to see on many methods. You can look for the internet resources or other social media.

Doug Herring:

Here thing why this kind of Summer of the Monkeys are different and reputable to be yours. First of all looking at a book is good but it depends in the content of computer which is the content is as scrumptious as food or not. Summer of the Monkeys giving you information deeper as different ways, you can find any publication out there but there is no book that similar with Summer of the Monkeys. It gives you thrill reading journey, its open up your own personal eyes about the thing that happened in the world which is possibly can be happened around you. You can easily bring everywhere like in area, café, or even in your technique home by train. If you are having difficulties in bringing the paper book maybe the form of Summer of the Monkeys in e-book can be your alternative.

Ida Johnson:

Spent a free time for you to be fun activity to accomplish! A lot of people spent their sparetime with their family, or all their friends. Usually they accomplishing activity like watching television, planning to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? Could possibly be reading a book is usually option to fill your free time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to try look for book, may be the book untitled Summer of the Monkeys can be fine book to read. May be it might be best activity to you.

Jose Chapman:

People live in this new moment of lifestyle always try and and must have the extra time or they will get wide range of stress from both way of life and work. So , if we ask do people have time, we will say absolutely sure. People is human not really a robot. Then we request again, what kind of activity have you got when the spare time coming to anyone of course your answer may unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, the book you have read is usually Summer of the Monkeys.
