Tacos: 75 Authentic and Inspired Recipes By Mark Miller

¡Ay, que rico! Tacos—real tacos, with soft or crispy corn tortillas, succulent fillings, and snappy salsas—are a revered street food on both sides of the border. In TACOS, Mark Miller adds a chef's sensibility to this vibrant primer for building delicious and authentic tacos.

The heart of a great taco is its filling, and TACOS brims with filling recipes for chicken, fowl, pork, beef, lamb, game, seafood, vegetable, and breakfast tacos. Miller's recipes are a satisfying balance between impeccably rendered classics like Carnitas (crusty fried pork shoulder), Rajas and Cheese (strips of roasted poblano chiles with melting *queso Oaxaca*), and Beef Ranchero (with its smoky-spicy sauce), and fresh, sophisticated riffs like Chicken with Apples and Goat Cheese, Baja-Style Tempura Fish, and Roasted Tomatoes and Pumpkin Seed Pesto.

Rounding out the book are luscious photographs; thorough instructions for making soft tortillas from scratch and crafting them into crispy variations; recipes for salsas and accompaniments such as Guacamole and Refritos ("refried" beans); and a suite of essential techniques, like roasting chiles and blackening tomatoes. Each filling recipe provides suggestions for the best tortilla choices, salsas and sides, and beverages to complement the tacos—giving you all you need to make your next taco experience as authentic, inspired, and downright delicious as even the most well-seasoned *taquero* could make it.

Editorial Review

From Publishers Weekly
While one might think of the taco as a simple street snack, Miller, chef and founder of Santa Fe's Coyote Cafe, takes the Mexican favorite to a new level in this single-subject title comprising 75 recipes. Organized by protein (with additional chapters on breakfast, salsas, sides and drinks), recipes for taco fillings take center stage and are preceded by informative headnotes and paired with suggested tortillas, accompaniments and drinks; each is tagged with a handy heat level indicator. The selection of tacos range from classic (pork carnitas) to inventive (Thai shrimp) and include a good number of vegetarian options. While some might be intimidated by ingredients such as wild boar, buffalo, elk and tamarind paste, the author includes source suggestions and some substitutions. Prep times for some recipes can be up to six and a half hours and may discourage those who want to keep things fast and easy in the kitchen. Nonetheless, this well-designed title has an appealing sense of enthusiasm and authority. *(May)*
